DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

At three in the afternoon, to those souls who invoke My Eternal Presence in spite of the circumstances and the contingences, I internally agree to help them and to restore them in My Source of Mercy.

For this in the difficult moments you must be united to My Heart so that only the light of God may prevail. Cultivate in this time an unbreakable and unchangeable spirit before the sudden changes of the material life. Construct in your hearts a fortress so invincible that nothing may be able to tear it down.

Know that I always, from the other point of the universe, hold you in My Arms to carry you to the Kingdom of My Peace. Be consistent and firm for these final times. The world is already in the threshold of an abnormal time, of a time different from the ones that have passed in these recent years.

The merciful prayer will be your unquenchable flame, it will be the shield against all evil.

Under the Grace of the Father, be blessed.

Thank you for seeking always the Peace of My Eternal Heart!

Christ Jesus
