DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Even though all in this time may seem darker than the night, concentrate your gaze and your feeling in the light of My Heart. It will be for your life the imperishable and inextinguishable flame before the contrary winds.

Recover the strengths, My server, in the Source of My Mercy and let that I guide forever the steps that you must take in your life. Do not allow the difficulties to frighten your heart, but offer to God in sacrifice all the tests that the universe may send to you, so that soon you may be a mature spirit in service to the Divine Hierarchy.

Let every situation pass before you. Remain immovable and impenetrable in face of the circumstances that generate disharmony and conflict. Be a peacemaker without frontiers and unite in each space and moment the hearts that are separated.

Find in My Path the perpetual apostolate and confirm your life before the Throne of the Great Lord. Seek the science of peace and nourish you inner through the celestial gifts of love and unity. Find Me in the profound silence of the heart. May nothing within your possibilities change your mind. Allow yourself, My friend, that the Fire burn what is already old.

Be truthful before all. Be a good disciple before the indifferences. Be the bridge that may unite what is separated between humanity and God. Be what in truth you must be, a saint of the new time, a humble imitator of the path of charity and of good.

Under the Love of the Father, be blessed.

Thank you for living in My Eternal Heart!

Christ Jesus
