DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

On this day, while the novena to the Saint Raphael the Archangel is again taking place, I invite you to maintain your fervor, devotion and faith in the Heavens so that the planetary situation may receive the intervention of the Universe at this moment of humanity.

Meanwhile, Saint Raphael the Archangel is leading an important angelic operation for the purpose of capturing the streams of chaos that make use of suffering and the uncertainty of humanity, so that those streams may be evacuated from the planet through the angelic armies of Saint Raphael Archangel.

This whole operation will help to decompress and alleviate the planetary psychic plane, but will also extract millions of souls that are prisoners of these dissociative currents.

The powerful novena offered to Saint Raphael the Archangel acts in spaces of the planet that the human being cannot reach, but the faith and devotion, of those who fervently pray, allow that, at this critical time of the planet, a state of Grace and of spiritual atonement may be granted through the work and action of Divine Mercy.

Let us continue to pray with the spiritual conviction that all the pleas are heard by the Eternal Father.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
