DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In the coming month of May, the month of the Most Holy Rosary, Your Heavenly Mother will offer Her maternal and Immaculate Heart which, being exposed to the whole world, will surrender out of love for Her Children so that this planetary moment may be reversed, as well as the situation that many souls are experiencing due to the confinement and quarantine.

For this reason, My children, I invite you to have an image of the Immaculate Heart of Mary with you so that, during the month of May, while you pray the Holy Rosary in your homes and with your families, you may venerate and contemplate My Immaculate Heart as a refuge for the helpless and relief for those who suffer.

During the days of the month of May, I wish each child of Mine, with the image of the Immaculate Heart of Mary, to make their most sincere offering, and can feel themselves to be contained and protected by the Immaculate Love of My Heart.

I invite you to disseminate this request because My wish as a Mother is that, during the month of May, My children may feel themselves within My maternal Heart so that I can give each one what they need in these definitive times.

I also invite those who pray and their families to send photos together with the image of the Immaculate Heart of Mary so that they may be shared during the events of the 13, 21 and 25 of May. In this way, a great family network will be established among the devout hearts of the world.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
