DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

At almost one year of the anniversary of My First daily Apparition in the Sacred Kingdom of the Marian Center of Aurora, the Heavens and the Universes have been united to be able to bring special Graces for all of the souls that throughout this last year have listened to My saving Message.

Now, after almost 365 days of daily spiritual impulses, the souls have been able to consecrate themselves in the faith to My Sacred Heart.

For this, in this last time I call you in order for you to be the living testimonial for those who do not believe and for those who seek permanent gratification. I call you to be faithful defenders of the hour of My Divine Mercy. If it were so, in spite of the circumstances and contingencies, I would really be able to say that I count on soldiers of Mercy.

When I ask you to be defenders of the Divine Mercy it means that first you must sacredly defend from yourselves this very important space so that later the doors of salvation may be able to be opened for those who are most in need.

Yesterday I spoke to you about the State of Grace that your hearts and lives are receiving in a chaotic time. Today I call you to have an open consciousness facing this sacred hour. In truth I tell you that you will see the fruits of this work of merciful prayer only in the next world and it will be only there that you will profoundly understand the synthesis of your lives.

While the world collapses from its daily actions, I ask you to subject your consciousness to the powerful source of My Divine Mercy. In this way the Spirit of God will act through you and not that you will try to act through the Supreme Spirit. Mercy will always bring you to reconciliation and to humility of the heart.

Under the Supreme Love of God, be blessed.

Thank you for listening to My Words with the heart!

Christ Jesus
