### DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

#### Poems to the Immaculate Heart of Mary

##### Twenty-eighth Poem

Lady of Humility,  
in surrender and selflessness,  
teach us to recognize  
the inner need of the fellow being.

May our gaze not judge  
but rather may our hands lovingly collaborate  
in all that may be necessary.

Mother,  
may we no longer complain,  
may we finally live  
gratitude and love for sacrifice,  
because we know and recognize  
that this will make us free forever.

Help us, Virgin of the Stars,  
to find the spirit of fortitude and giving  
at this crucial planetary moment  
so that we may serve our brothers and sisters,  
and, thus, we may find in them  
the suffering Face of Christ.

Dear Universal Mother,  
may we live an unconditional surrender,  
just as You live it for each one of us.

Mother,  
take into account our errors  
and difficulties in truly giving of ourselves,  
because we know that, through Your most pure Grace,  
we will manage to take steps  
out of love for the Higher Design.

We ask that, at this moment,  
You empty our minds and hearts  
so that the warm words of Your revealing message

may resonate within us.

Within the flame of gratitude,  
may we always see  
the untiring giving of Your Heart reflected.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
