DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My sons and My daughters:

In this end time, build your strength and your faith in My Immaculate Heart.

I will be your refuge, I will be Who will take you to God. And, although the Mother of God is retreating, perpetual prayer will be the bridge that will unite us between Heaven and Earth.

Life will show you everything that still needs to be transformed. Miseries and deserts are within you so that, step by step, you may go beyond them and redeem your consciences.

This is an abnormal end time, because everything that was always hidden and outside of the Law will be shown.

Continue to pray for Peace in the world, so that humanity may internally be prepared for everything that is now coming.

Trust. The Mother of God will never abandon a praying soul.

Offer yourself in sacrifice and in reparation for the offended Heart of God; thus, the sins of the world, which are many, will be placated.

Remember your Guardian Angel.

My Love can be within you, go ahead.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
