DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PEDRA BRANCA, FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE MEETING OF PRAYER WITH THE YOUTHS OF THE SCHOOL OF NATUROLOGY

Dear children who are present,

With Archangel Michael in your presence, today I especially address those who have never had the Grace to know Me because, on this day, Your Mother of the Universe comes to meet with you to pave the way for conversion, mercy and forgiveness.

Each one of you present here, children, up to now have lived a path in this life; now, the Father of the whole Universe calls you to an inner awakening and to again find a true spiritual life through the sublime impulses of prayer, service and fraternity.

On this day, My Grace of a Mother gathers you to teach you the way to your true freedom, and thus, before the Sacred Son of the Universe, you will learn to love and again smile at life, far from inner suffering.

It is for this reason, My children, that Your Mother has chosen each one of you so that you may become consecrated to My Immaculate Heart; a pure and good Heart that gives Itself to you to take you out of the prison of material life, of deceit and error.

Beloved children, on this day in which the Universe has opened a door of freedom and peace in this place, I call upon you to take that sacred step in the name of all the youth of the world that are led along the path of perdition and false reality.

I adore you all as souls, My beloved youth; in this acute time of the Earth, allow the Christic seed of love and redemption to definitively awaken within you.

You, by taking this first step that I ask of you, will know the true light of Heaven that today has lovingly touched this place because of a blessed and full Mercy.

I do not want to convert you, My children. I want to lead you to the truth, service and surrender for humanity.

May My consolation be upon you so that, encouraged by Me, you may attain peace.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace

At the end of the message, the Divine Mother, in the presence of Saint Joseph, asked that in this place called "Pedra Branca," a small grotto be built in the forest with the image of the Queen of

Peace. The Divine Mother also asked that the floor of this place of prayer be built with the help on the Light-Network and that the Light-Network itself continue to support the task of prayer with the groups of youth.

Our Lady said to the youths present:

"Dear children, here I will be the Mother of all those who are lost. I wish to have mediators of prayer between Heaven and Earth here."
