DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

May today your hearts rejoice in the same way each time that you receive Me in your inner temple, because as Instructor of souls and lives I recognize with clarity and wisdom the effort of My Servers.

My Servers are those who without fatigue give everything of themselves.

My Servers are those who always, with a smile of kindness, give themselves if the face of necessity.

My Servers are the praying ones and the charitable ones in the face of the situations of life.

My Heart contemplates the great effort of My Servers that, despite being few, will be those who will navigate in high seas with the Captain of the Sacred Heart.

My dears, find restoration and rest in My Heart, because I will always sooth you and encourage you to continue. Whoever loves sacrifice will persist in the faith of the heart, because the soul finds strength in the service of giving oneself and of donating oneself.

I know that for many it is still difficult to consecrate themselves in totality to My Sacred Heart. For this I count on few companions and in them I deposit the tasks of My Will, as if each one were a thousand.

The need of redemption is great for the world; and in this time, My Companions, encourage yourselves to follow My Promise that is not from this Earth, it comes from the Heaven to which all belong, from Paradise.

Under the Love of God, be blessed.

Thank you for listening with attention to My words of instruction!

Christ Jesus, the Savior and Redeemer.
