**DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

When God created humankind, it was so that they could represent Him on Earth, as a part of His Divine Consciousness. Since humankind modified this principle, they separated from the Purpose of their creation and, through striving, had to work hard in order to approach the Purpose again.

Humankind only saw their outer beauty and forgot about the beauty of the soul; the influences and the movements of terrestrial life led them to become more mortal rather than sublime, as they once previously were.

So that humankind might have the chance of returning to the path of the elevation of consciousness, My Son came, because it was only through the Christic path, and not through the material one, that they would recover the pathway that, for different reasons, they had lost sight of.

Thus, in these times, the majority of human beings still remain in the outer senses and draw away from the inner senses.

The worldwide moment generates great contradictions and souls become confused. Only those who place themselves under the Presence of My Son will manage to recover the Purpose that, as a project, had been lost.

Determination, effort and the principles of life will help to gradually change those aspects of life that are in need of redemption and light.

Faith will be the foundation for all this to happen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
