**SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MG, BRAZIL TO THE VISIONARY FRIAR ELÍAS**

Brothers and Sisters:

The spiritual life is similar to the flame of a candle; if it is not lit by the fire of merciful prayer and by the sincere dedication that you may render to My Heart, then any wind could extinguish it.

For this, for this eighth Marathon of Mercy, My Paternal Spirit calls Its flocks to reflection about your honest and sincere dedication to the Christic path.

Today I say all of this to you, not to reproach something you have done wrong, but because I need you to start feeling the ray of My Divine Justice, that ray that comes from the Father and that will try to correct all that is not-adjusted.

The final times demand a true definition for the Redeeming Plan of Christ, this will determine the development of the coming events on the planet. While humanity is immersed in the ocean of its lamentations, the modernities - in many of those who are Mine - have managed by the work of the enemy, to substitute Me and change Me so that the souls do not remain with Me in the prayer of the heart. The prayer of the heart is the true essence that will give you the strength for this age of definitions.

Before the Eternal Father makes His Final Judgment in all of the Earth, your hearts should be already prepared to receive My Infinite Mercy. My Heart laments when it sees some of the sheep of the Great Shepherd being distracted and absorbed by other things that do not come from God nor My Sacred Heart.

But there are still some souls that keep the fire of devotion lit and it is these pious and merciful souls of Mine, those that relieve My Heart every day; in this way I pour My Mercy through their humble essences.

I wish for many of those who are Mine to perceive the difference between being near Me or of being far from Me. Only the wise and intelligent of heart will be able to recognize the difference of living a true spiritual life.

Dears, today I say to you all this because seven marathons of intense and strong spiritual impulses have already passed, impulses that I have poured month after month in your lives; for this I ask you for an urgent and true reflection. The Plan of the Most High needs to know with whom it can count on for this last phase in which the boat is sustained by such few servers.

The boat is your beautiful world and you know that you must live in this world, without belonging in the least bit to it, and this is related to the tempting modernities that hypnotize the spirit of My Companions.

But whoever is in Me will know how to differentiate the hour at which they must stop, to unite again to My Heart, in this way I will be able to help them to be disconnected from the atrocities of

this world.

It is time to define yourselves. It is time to have consciousness with respect to what you are facing. That the modernities may be only a simple bridge for service, and not an uncontrolled attachment for the soul. The spirit in this time must make an effort through prayer to be able to resurrect every day in God.

May this eighth Marathon be dedicated for the salvation of all the souls that have distanced themselves from My Father.

For Love and Mercy, I will be able to intercede for all.

Under the Love of God, be blessed.

Thank you for resurrecting every day through the strength of My Love!

Christ Jesus Merciful.
