### DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RIO GRANDE DO SUL, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the Light of the Heart of God grant servers all His Wisdom so that the designs of the Most High may be fulfilled, in spite of the difficulties.

May the Light of the Heart of God dispel interferences and, with Its Power, break all obstacles so that souls may learn to walk free of themselves.

May the Light of the Heart of God penetrate the planetary consciousness so that more souls may be captured by the powerful Love of Jesus and be removed from the great abysses of hypnotism and illusion.

May the Light of the Heart of God reveal to consciousnesses the commitment established in the Universe, so that all the phases of the Plan of Love may be accomplished.

May the Light of the Heart of God attract the divine state of Peace toward the world and, in this way, may all darkness of the Earth be dispelled.

May the Light of the Heart of God divinize the matter, the soul and the whole consciousness that in this time confirms itself as an instrument in the Hands of the Creator.

May the Light of the Heart of God be reflected in the suffering humanity and, in this way, the wounds of the spirit may be healed by the infinite balm of His Redeeming Love.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
