DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF THE HOLY SPIRIT, PROVINCE OF CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The redemption of forms will be the next aim of your Master and Lord so that, in this way, humanity may be liberated from the contrary commands that oppose the correct awakening and evolution.

The redemption of forms in humanity will lead to the purification of consciences, which until today has lived ambiguous paths.

Therefore, that moment of the redemption of forms will cause humanity to have to adopt a new consciousness that is free from everything superfluous and archaic.

The redemption of forms will mean, to a certain degree, a process of spiritual combat, in order to unlock the process of spiritual evolution of humanity, and of the planet.

For this moment, you must also be prepared, for it will come in an unexpected way, knowing that it will represent the most acute moment for humanity.

With a spirit of determination, begin to now overcome your own ways of seeing things, your own ways of feeling things, even your own way of understanding them.

That moment will come when everything will be defined, and the choice of the next stage of the planet will knock on the door of those who are still sleeping.

Above all, seek the way to always live in God and to be within the path of His unfathomable Will.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
