APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED CALL, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Bring incense to Me here and nine candles to honor Me, incense to expel and purify, the candles I will bless and give to the nine mothers of this Order constituted by My Spirit.

After nine days that you have prayed to My merciful Heart, I will tell you what else I want.

I have chosen nine mothers for this task.

Now I will tell you a secret...

Now, listen to My Message for this time.

Seek My Heart at this moment and let that be the reason for being here with the Son of God.

I thank you for the offering you have made, My daughter, for it has pleased My Heart.

Friar Elías del Sagrado Corazón:

"Brothers and sisters, today we were present before an aspect of Christ that was a little different, we could say that it is rather an aspect of justice, it was this Presence of Christ that is preparing to come in the time of the Final Judgment, as He said.

But this face of Christ came filled with a very deep love, a love that transformed little by little. Today He came accompanied by many angels.

And as the Master blessed each of the sacred elements, He brought us a passage from those He lived with while here on Earth. He brought this Presence, this information that He slowly worked in our unconscious, and in this way, little by little, He was renewing something within us that we did not know about.

And He then gave us this message; He also asked that the brothers and sisters present there in the name of everyone receive communion of His Body and His Blood.

We knew that this act He had us carry out with Him, of communing and of drinking from the Chalice of Christ, was for a planetary situation.

Now we are going to share with everyone this message He brought today.

Friar Elías del Sagrado Corazón then shares the monthly Message of the Glorified Christ Jesus, received on August 21, 2015, transmitted during the Apparition to the visionary.

The angels witnessed My Death and the women of compassion surrounded My sepulcher with a gentle, perfumed and real incense that glorified My Heart. This is the incense of purity, humility and liberation, for hearts that believe God is present in simple things.

In the name of the Father, the Son and the Holy Spirit. Amen.

Look at these candles that lit My sepulcher, carried by the hands of the devout women of Jerusalem who, faithful to the end, believed in My Presence and in My Resurrection. Happy are those who receive the Light of Christ into their hands, for I assure you that nobody and nothing will blind your eyes, for you will always see My Glorified countenance.

In the name of the Father, the Son and the Holy Spirit. Amen.

And just like the twelve, drink today of My Blood and celebrate this ministry with Me, this priestly ministry that I bring you from the universe through the inner fusion of the Communion with My Body and with My Blood.

But today I want to pay special attention to this Chalice, for this is how your hearts must be, chalices, receptacles of My Divine Codes.

Some of your chalices must be purified, others must be restored, but few are prepared through, the fortitude of prayer, for receiving My Spirit in the sacred temple of the heart.

I make possible all impossible things. Happy are those who believe in the Presence of My Blood within the Sacred Chalice.

Drink and participate with Me in this perfect union with the Universe of God.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the Holy Communion is found the covenant with My Divinity, and all spirits are assembled by My Great Spirit, because through My divinized Spirit, everything becomes possible in the life of souls.

Happy are those who commune in their heart with Me and have a remembrance of My first Communion with you, here on this planet.

After having fulfilled all My ministry, which is the ministry of My Heart and of My Peace, today I will be able to leave this place rejoicing, for your souls opened to respond to My Call, and through this Sacrament, have accepted My Will, no matter what the cost.

I thank you and I bless you, in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

It is important to go over the Message of Christ again, at some other time and calmly.

Because He probably wants to send us an impulse so that we can awaken a little more each day.

Let us give thanks for the presence of everybody here and those that followed us in this meeting through Misericordia María TV.

Thank You, Lord, for all that You give us!
