THIRTEENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, AT 7:00 AM, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Friar Elías: The apparition of the Mother was very short.

When She appeared She was untying a rope that had three knots; and this rope was also being untied by Padre Pio who was helping Her.

When She appeared She said that if the hearts and the souls do not transform themselves through prayer, they will suffer pain. This is the only thing She said, and for us to pray.
