### MESSAGE FOR THE SPECIAL APPARITION IN SAO CARLOS, SAO PAULO, BRAZIL, TRANSMITTED BY THE MOST HOLY QUEEN OF PEACE TO THE VISIONARY FRIAR ELÍAS

Today, once again My Immaculate Heart unites itself to the heart of each pilgrim present in the world, and the bridge of light that unites us is the unity and the love that manifests itself in the prayer of the Holy Rosary. The Holy Rosary has the beads with decades that reveal a precious mystery of love to each pilgrim.

This Divine Love that comes from the Father unites itself to each essence that recites this favorite prayer of Mine, that will unite you to Me in each moment. In each bead an event manifests itself, a realization of the Plan of God reached by all the hearts of the Earth, through the donation to the Sacred Hearts.

Each time a pilgrim soul prays with Me, a new Portal of Peace is opened to the world, because the true Love of God, that unites the essences with My Son and with My Immaculate Heart, manages to express itself.

Dear children of San Carlos and all the State of San Paulo:

This month of June of 2013 has completed the 32nd consecutive year of My presence in Medjugorje and in the world; this month of June has completed one more year of the presence of the Queen of Peace among the simple hearts and the immature hearts, the ones that still do not know God.

For this, with joy and bliss, today I come to San Carlos to close a cycle of blessings that I have given during these last months, and to initiate in this way a new cycle with all of My dear children.

Medjugorje and its message of peace will be what will renew the fidelity of the hearts towards God the Father in the new time. Medjugorje will awaken the profound devotion in the consciences that have distanced themselves from the life of prayer. Here My Divine Light unites itself as a task for the Americas in My Apparitions, the ones that have been taking place for some years with all of you; it is this way dear children, that the bridge between Medjugorje and Aurora is created.

As Mother of Humanity, during this month of June I am inviting you to renew yourselves in peace and to live in My Peace. For this reason I present Myself to the world as Mary, the Queen of Peace, to show to all My children that you are lacking the attribute of peace, and that this has generated great conflicts in the entire world.

Through the Holy Rosary, recited with the heart every day, peace will sow itself in all of those that have lost it and will reflect itself as a mirror of light to all of your families and the nations and the world. When there is absence of peace it is because there is lack of inner prayer, because otherwise no soul in these times could lose peace and hope.

For this I come to the world and come to all of you during this month of June, to reaffirm My presence of Eternal Peace in Medjugorje and in Aurora, South America.

Dear children of San Carlos and all the State of San Paulo:

Brazil will have the precious Grace of receiving the Holy Father, the Pope Francis, as a messenger of Peace and Reconciliation for this time; this is possible because of My maternal presence in the world and because of the aspiration that, through the messengers and instruments of the Father, you find in My Son Jesus.

That today your hearts can please God the Creator, through the donation of your lives to perpetual prayer.

Dear children, that your souls united to the Queen of Peace prepare you in love and in charity for the encounter that will take place in Brazil with the successor of Saint Peter, the Pope Francis.

Because this time is a time of ecumenism and of fraternity, it is time of finally establishing unity amongst creatures and fraternity amongst consciences.

My children, God gives you all the best that He keeps in the Heavens, this is because of the great need of peace and conversion of souls, so that in this way your constancy with Me is always manifested.

The present time merits that all My children be united under the wise spirit of prayer.

Beloved children, when I travel in peace around each one of the cities of your nation, it is to awaken in you, in consciousness, to the call of fraternity and of prayer for peace in the world. Always, when you are in Me, I will keep you in the Temple of the Heart of Christ; there you will be in Eternal Peace.

Dear children of San Carlos, I hope to see, on this day, the joy reflected on your faces of receiving the Mother of Heaven.

I thank you dear children, for opening the door of the heart to Me!

I love you and I bless you,

Mary, Mother and Queen of Peace.

### **Prayer of union with the Essence of the Peace of God**

Mary, Mother,  
my Mother,  
Queen of Peace  
may Your sublime rays  
irradiate the world:  
may Your Immaculate Peace  
spring as an inexhaustible fount  
in our souls;  
may the heart of each brother and sister

reach Eternal Peace,  
so that next to Christ,  
Our Lord,  
humanity redeems itself  
and opens the door for Forgiveness and Love,  
in honor of the Creator Father  
for the many years of Peace  
that the Earth will live.

So be it.

Amen.
