APPARITION OF THE GLORIFIED CHRIST JESUS, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 18th MARATHON OF DIVINE MERCY

Now I will address those who have belonged to Me from the beginning. Receive My Grace with joy.

Cleanse your past with the Water of Life that I offer you and be renewed. On this day I will go toward the most simple, for the Lord has asked me to do so.

I Am the Sacred and Glorified Heart of Jesus; happy are those that receive Me within themselves.

Let your beings rest in My Arms, the time has now come. Come to Me and you will understand everything. Follow Me in trust.

Through My Heart, I bring you the Holy Spirit, and through the Holy Spirit, My Grace is poured out.

God draws near to your lives once again to remind you of the commitment that each of you has to Him.

While time passes quickly, My steps are slow in this world. Little by little, I have been calling souls so that hearts may assemble through My Spirit and not forget that I am present in the heart and in the life of each being.

When you do not feel Me close by, call Me every day. I am present in your essences. Throughout time, I have sown a special seed, which will serve you in the future so that you may be full servants of God.

Thus, I bring you My Mercy, something you have yet to know in depth. For this reason, the Father sends Me to visit you. While this can take place, My companions, it will mean that the Plan is being accomplished. But when I am no longer among you, and dwell only in the heart of each being, you must remember each of My Words.

Read My Messages; in this way, you will be able to understand and fulfill My great celestial request. My wish is that you just achieve a conversion of the heart for all those that do not convert to God.

When I return, My companions, each of you will witness a sign in the sky. But if any of you are not there at that moment, know well that you will find Me in My Kingdom, which is the dwelling place of the Most High God.

In this time, I bring you an unrepeatable opportunity. For this reason, avail yourselves of it, My companions, drink of the Fount that I am giving you; in this way, your lives will be satiated. Because in this world, you will only find the merciful Light of My Heart.

Everything that surrounds you, all of the time, is not something divine. My Heart wants to make your lives divine. Thus, I need to transform you all the time. Remember that when I ask you for some things, it is because everything has a greater purpose.

Through this very special day, in which you once again are assembled in My Love, I bless you, I heal you, I free you, I exorcise you and transfigure you in the way foreseen by My Heart, just as My Father has requested of Me, so that this Divinity may descend upon you, something that you still do not truly know.

Continue to fuse yourselves in the union with My Heart, for in this way, you will manage to take the steps that God expects. The world will not have you waste time and you will be redeemed. Listen to My Words of Light.

While I transmit My Words, pray to My Heart.

Prepare your souls for receiving My Body and My Blood and think, at this moment, of the Sacrament that I have offered you during the Last Supper.

Through the Message that I have given you, you will understand what My petition is for this time and what the important purpose is for My being here, among you, for such a long time.

Thus, prepare your hearts, after having prayed, to receive My Body and My Blood.

Wash your hands in My Fount of Love. Release your stains and faults, for My omnipresent Spirit has renewed you today.

Receive My blessing in gratitude.

Friar Elías del Sagrado Corazón:

The Lord will give a bowl to each of the pilgrims, with the petition that you offer this Sacrament to God; in this way, the Body and the Blood of Christ will be consecrated.

At this moment, Christ is indicating the people.

Jesus asks that we hold the trays for the Consecration while He is present.

Brothers, let us lift up this offering to God in the name of all those who have been ungrateful to My merciful Heart, for all the souls that scourge My Essence of Light, so that My Sanctified Heart may be restored and all souls may again receive the Fount of My Mercy.

Song: Our Father (in Aramaic).

Let us now listen to seven bell strikes, at the request of Our Lord.

Let your hearts vibrate in My Energy and your spirits be renewed on receiving My Body and My Blood.

Blessed are they who commune with faith, for they will always be renewed through the action of My Spirit.

While My Spirit rises, let us sing, brothers and sisters; in this way, your hearts will leave this place once again, renewed.

I am grateful, apostles, for all that you give Me.

In the name of the Father, the Son, and the Holy Spirit.

Thank You, Jesus, for all that You give us!

Friar Elías del Sagrado Corazón:

Brothers and sisters, before sharing this special message of Christ, we will explain a little about what happened, at the request of the Master.

When He appeared as the Sacred and Glorified Heart of Jesus, He was stamping that image upon our consciousness. It was a task He was doing with each of us, so that in the future, we would be able to recognize Him and feel Him when He returns.

And after a time, He requested that we follow Him, just as you heard, and we explicitly went to the place He indicated.

He appeared again, and there He began to give the message that we all heard. He transmitted this message we are going to share with everybody, and at the end, He asked that the pilgrims do the consecration, that they lift up the Body and the Blood of Christ to Heaven, as an offering in the name of humanity.

When that happened through the song of the Our Father in Aramaic, He worked with the whole consciousness of the planet, and all of us who have unions, one could say, ties with other people of the world, in this way, allowing those people to be helped by the Mercy of Christ.

But in that Consecration, today a very important event took place. The Kingdoms of Nature were helped at the moment of the Consecration. At that moment, Christ was showing how all the animals, plants and minerals, in any part of the world or on any continent, were touched by the Christic energy. And when the Sacred and Glorified Heart was performing this expansion through the Consecration, many situations in those Kingdoms were given relief, mainly the Animal Kingdom which He showed how much it was suffering.

Afterwards, the [Special Message received \(January 5, 2015\)](#) was read, in which Christ Jesus transmitted this special request.

Friar Elías del Sagrado Corazón:

This is the petition of Our Lord; so we will get to work. He invited all the brothers and sisters to get together in a great campaign to manifest this Auditorium of Mercy. Just as the Lord requested, shortly, you will receive the necessary guidance to concretize this.

But the most important thing is that, through this request, in this Apparition, in each of us He left a spiritual intention. For this reason, he called it the humble Auditorium of Divine Mercy, because He wants it to be or that it be similar to His house of Nazareth.

I would also like to share with the brothers and sisters that He transmitted the idea of the project, just as the Divine Hierarchy has designed each space that was built here.

We understand that through this symbol, there is a message that the Divine Hierarchy is leaving us, so that we can perceive what in truth God wants of us.

And what truly brought the most joy to our hearts this evening was that He promised that He would return during the course of the tribulation.

And so, dear brothers and sisters, present and connected, let's get to work!

We will say goodbye by singing and giving thanks for this Call of Christ Jesus.
