Weekly message of the Glorified Christ Jesus, transmitted in the Light-Nucleus Sagrado Ceu, Belo Horizonte, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

While part of the world is in a never-ending war that unleashes the wrath and evil of humanity, My Divine Mercy approaches every day at three o'clock in the afternoon to restore and heal the vices of humanity.

My Divine Mercy is mainly poured into hearts that every day revive My Holy Passion. Thus, through them, all the gifts and merits achieved by My Sacred Heart are deposited as cells of light in simple and pure hearts.

In order to attain My forgiveness it will be enough to recognize oneself as a worthy child of God, and, despite the fact that sin is great and irreparable, I have the celestial authority to absolve you from all faults. Thus your lives will become crystalline and limpid when you seek to live My Mercy, beyond professing it and confirming it in your lives.

Heaven unites in harmony and prayer, every day, at three o'clock in the afternoon in order to help balance the spiritual and material disorder of this world. Therefore, only through My Unfathomable Mercy will the most hardened and sinful souls be able to find their lifeline, and the same will be true for those who serve Me but face the game of temptations of this world.

If in truth you decide to seek the spring of My Divine and Unfathomable Mercy, you will be able to lessen on the world the weight of its own law, and many souls will stop being condemned to the fire of hell, so as to be recognized as rescued souls.

In this last hour of the transition of the Earth, seek the straight path to My Divine Mercy because, in these times of greater confusion, you will be left only with holding on to My Path of redemption and salvation.

I give you all that I have, I give you the possibility to re-dimension your lives through the transmuting and purifying fire of My Divine Mercy.

The time indicates a quick and decisive decision. The time has come to place yourself at the feet of the Greater Source so that you can be washed, freed from stains and redirected toward the eternal Kingdom of God.

Today I especially pray for those who will incur a spiritual union with Me in the new times. This will determine the possibility of fulfilling My redemptive Project before My return to the world.

Pray for those who persevere on the path of transformation, but also pray for those who courageously abandoned Me, forgetting about Me. I place all of them in My Sacred Heart and I hope to see them, someday, in My Celestial Glory.

I determine, in this age, that you follow only one path.

Under the supreme Grace of God, be consecrated to My Heart.
