### Message for the Vigil of Prayer of the Most Holy Queen of the Hearts, transmitted in the city of Montevideo, Uruguay, to the visionary Friar Elías

My dear children,

Today My most appreciated souls, those souls who suffered the abandonment of this world, are with Me in My Kingdom. Therefore, as Mother of the Holy Rosary, from My maternal Heart I want to thank those who gathered during these days of the Vigil of Prayer for the coming of the Holy Father Francis.

Dear children, when you pray with the heart, other divine and special events are carried out by the angels of Heaven and this helps in the redemption of humanity.

My children, your next step of humility and fraternity will be your presence in the meeting with the Holy Father on World Youth Day.

When souls congregate in the name of God, evil is removed from the world. When all hearts unite without observing the different paths they tread, the infinite Grace descends upon everyone.

Therefore, today I want to demonstrate to you, My little ones, that you and each one of your hearts are instruments in the Hands of God, so that He, in His infinite glory, may fulfill the work of the end of times. Open your hearts without fear, and trust that all is under the loving sight of God.

Dear children, He needs you now, He expects that you love Him, more every day and that you glorify Him. The Heart of God is tired of so many outrages and so much indifference, but His Love for you is inexhaustible. He expects that His beloved children repair Him, help Him. Although His Power is merciful and strong, He waits for the warm prayer of His creatures.

See how God is flagellated through the Plant Kingdom, the Animal Kingdom, the Mineral Kingdom and even the Angelic Kingdom, God is in everything. Therefore, My little ones, it is time for you to become aware of the great service of love and prayer that your lives can realize.

For this, you always have Me, and by faith and Mercy I still descend from Heaven towards your presence to tell you:

" Dear children, the moment of the great step of your beings is now. Christ counts on the new apostles of forgiveness and peace."

Dear children, you will be in My blessed Immaculate Heart for all eternity. It is time for humanity to become aware that it must unite itself in love and in spirit as one so that the new light may be born in the world.

After being with you, month by month, My loving and fervent Heart repeats in prayer to God before His Heavenly Kingdom:

---

Oh, New Aurora!

that will emerge as infinite Light  
within simple and humble hearts.

Hail, Aurora of the morning!  
that will awaken before God  
out of love and Mercy.

Beloved Kingdom of the sublime heights,  
Sacred Heart of the Lord,  
have Mercy and hope for this world.

Oh, beloved Most High God!  
My Soul in Heaven glorifies You,  
supplicates to You, implores You and asks You in reverence and devotion:

Open Your glorified Eyes, beloved God!  
and observe, in the sky of Your created universe,  
the redeemed stars  
that say yes to Your saving Project.

Oh, beloved Eternal Father!  
You are love and compassion,  
oh, beloved Lord of the Universe!  
You are infinite Light in each being,  
remain in Your children,  
awaken in them  
the powerful strength of Your redemption.

Through the victorious glory of Your Son, Jesus Christ,  
may they reach the eternal life of prayer and peace,  
now and always.

Because only through You, Lord,  
will humanity be one.

Because only through You, Lord,  
will Your Holy Spirit  
renew the face of the Earth.

Accept the offer of Your children  
and pour out Your Mercy  
upon those who are fallen and helpless.

Only through You, Lord,  
will we experience the Love of Paradise.

That Your Light may always reign  
among hearts and souls.

Father, we await  
the glorious coming of the universal King.

Amen.

---

This is My request of Mercy to God so you will be able to feel how your prayer is so important in these times.

Thanks, dear children, for responding to My calls!

In blessing and light,

Mary, Mother and Queen of Peace
