Daily Message of Mary, Rose of Peace, transmitted during the journey from the Marian Center of the Child King, Rio de Janeiro, to the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

I am the Star of Peace, and My Stellar Consciousness approaches the planet to try to awaken in time those who are still asleep in the dream of material life.

I am the Star of Peace, and I emit to creatures the greater impulse that My Son is bringing.

I am the Star of Peace, and those who are with Me are guided towards the dwelling places of the Celestial Father.

I am the Star of Peace, and to My children I give the Graces that allow the consciousness to be redeemed and the spirit to be liberated.

I am the Star of Peace, and I pour the Light of My Star over those who open their hearts to God so as to be able to hear Him.

I am the Star of Peace who in the night illumines the paths of those who are lost in themselves.

I am the Star of Peace who announces the new, that which no one has ever known before.

I am the Star of Peace, of renewal.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
