Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

The entry of Jesus into Jerusalem meant that the triumph of the Kingdom of God was near and that no one could stop the divine and exalted victory of Our Lord.

In their core, souls recognized the greatness and the Mercy of God through His Only-Begotten Son.

On Sunday, evil was defeated and paralyzed so that souls on the surface of the Earth should know the powerful Light of God, and during that day could be freed from suffering and pain, knowing that through Jesus, great infernal doors would close in all the planetary consciousness.

The Master of Love entered Jerusalem exalted by the angelic choirs of the Father, which, on that day, gave an unknown strength and power to the Son of God so that, at the request of the Most High, the Holy Scripture would be fulfilled.

Sunday had come to dispel from the human consciousness any kind of self-destruction or decadence.

For humanity, the awaited entry of Jesus to Jerusalem by the main gate of the city, meant to cross through an uncertain threshold toward the light and redemption that was manifested by the Presence of the Divine Son.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
