### Daily Message of Mary, Rose of Peace, transmitted in the city of Mendoza, Argentina, to the visionary Friar Elías del Sagrado Corazón

My dear children,

Today I take you all to the very important and luminous moment of the Baptism of Jesus in the river Jordan, an event that, through the Savior, led the whole world, during that time, to regain the spiritual dignity and the merit the Love of the Creator.

The Baptism of Jesus instituted the divine and spiritual purpose of that sacred Sacrament so that souls, through the Sacrament of Baptism, would recover the inner dignity of being children of God.

For this reason, the sacred Baptism of Jesus in the river Jordan not only signified the initiation of the Divine Son in His public task, from this moment on and for the next three years, but it also opened the doors so that the Holy Spirit could work in the world until after His Ascension.

The power of the Sacrament of Baptism and the profound humility of the Divine Son represented, at that time, the possibility of reintegrating the human consciousness into the universal Laws through experiencing the Commandments given to Moses, but with the fundamental key Christ revealed during His public life: "You shall love God above all things, as well as love your neighbor as yourself."

At that planetary moment, this closed the cycle of acute perdition in which the whole planet through ignorance, found itself

The Baptism of Jesus in the river Jordan also represented the reintegration of the Seven Gifts of the Holy Spirit, which humanity once lived in the beginning, through Adam and Eve.

The Sacrament of Baptism, instituted through the Baptism of Jesus, brought to the world the opportunity of learning every day to love the life of the spirit and to not be separate from it in spite of what may happen.

Christ represents the Sacrament of Renewal through the Sacrament of Baptism. He is the beginning of our spiritual path and, at the same time, He is the end of our trajectory on this planet.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
