DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE TOWN OF COCOS, CORDOBA, ARGENTINA TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Today, I take all of you in My arms, just as I took Jesus to the Temple.

Today, I give you to God so that your lives may be purified, redeemed and filled by the Sacred Spirit of the Creator.

At that time, at the Presentation of Jesus in the Temple, the sacred and little Child was the primary mediator so that humanity could be reinstated with the spiritual connection that it had lost through its errors.

The Presentation of Jesus in the Temple meant a culminating moment in which humanity, through the Presence of the Divine Son, was removed from the great abysses in which, through different circumstances, it had been placed.

This Presentation of the Child Jesus in the Temple also meant for your Heavenly Mother the surrender of Her Son so that, from that moment on, My maternal Heart would be prepared to take on humanity until the end of times.

In this event of the Presentation of the little Child Jesus, the Father granted, His Firstborn as well as His tireless Servant, the divine authority of absolute intercession for all those for whom They might ask.

The delivery of Jesus into the Arms of the Eternal Father represents for humanity the renewal of the gifts of faith, of trust and of unity with the Divine Source.

The Presentation of the Child Jesus in the Temple was the first symbol of defeat and removal of paganism of the time by the conception of the one and only true God, Adonai.

This was how the Presentation of the Child in the Temple gave the world an opportunity to recognize themselves as children of God, so that the connection of each being can be built with dignity.

This means that the Child Jesus was presented in the temple to reveal to the world the Merciful and Just God and to reverse the doctrinal concept of a God of intense Justice and irreproachable Law.

The Child Jesus made it possible to reestablish, at that time, the connection between souls and God. From then on, He renewed the times through His sacrifice in the following moments, of His Passion and Death.

Presenting the Divine Child in the Temple of the Creator means reminding the world of its inner universe and the existence it holds, in order to contribute to this humanity with the true divine virtues that God conceived in the origin of each essence, just as in the spiritual emergence of each soul.

The Presentation of Jesus in the Temple allowed, on the spiritual plane of the human consciousness, the rebuilding of this inner temple that is transgressed by one's own actions.

The small Jesus recovered, for humanity of the surface, the principle of spiritual connection with the Creator and His Most Pure Source.

I thank you for responding to My Call!

Who blesses you,

Your Mother Mary, Rose of Peace
