DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

And now, may your bare feet, like Mine, walk in the direction of the Portal of Renewal, and, before crossing it, may everything old be dissolved in you so that, once you have crossed it, your mirror heart and your soul may capture and feel the impulses of union with universal life.

From the new time and after having crossed through the Portal of Renewal, may your essence, your life and your consciousness participate in the divine impulses that Our Sacred and Eternal Hearts will emanate so that the new and renewed consciousness is established in you, so that the past and all experiences be purified, and your soul, which is immaterial and internal, may take flight, to join the Creator of all that exists and of all that resonates within this universe.

May your consciousness be the new redeemed key, may it be that precious note that will compose the new melody of peace and redemption.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
