Daily Message of Mary, Rose of Peace, transmitted in the city of Oporto, Portugal to the visionary Friar Elías del Sagrado Corazón

Dear children,

When the doors are opened through prayer, a path of redemption is etched in the consciousnesses of the souls of the planet.

Such a path of redemption allows to establish new principles in the lives of those who previously were far from God, and this favors not only consciousnesses but also the evolutionary state of the whole planet.

Thus, when the life of prayer is widely practiced, the universe manages to move forward with its spiritual and, at the same time, inner task, in order to reach the state of Light, it is necessary that consciousnesses remain on the path of transformation and surrender.

The path of prayer will always lead everyone to new levels of elevation and consciousness.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
