Daily Message of Mary, Rose of Peace, transmitted in the city of Oporto, Portugal, to the visionary Friar Elías del Sagrado Corazón

Dear children,

I come every day with the profound aspiration of turning the mind of the human being into an instrument of God through the imperative power of the love of the heart.

I come every day with the purpose of stopping the wars and the destruction of the human race, so that souls may be saved from the captivity in which many nations place their peoples.

I come every day for the Divine purpose of making every human being an important piece of the Plan of God, so that in this way, many may awaken to christic life, to the path of ascension, and permanently abandon the materialistic and superficial life.

I come from the universe with the mission of opening the eyes of those who have them closed to the Truth that My Son announced many times, the Truth of being able to be like Him in Love and Mercy.

I come every day to calm the agitation that religions are experiencing and to dissolve the connections that exist between true spirituality and materialism; for My desire is that all attain the Grace they do not yet deserve and that they make of their lives great treasures of redemption and conversion, as a form of purification and of preparation for the second Coming of Christ.

I come to grant peace where it no longer exists, by means of prayerful hearts that make enter into the apostleship of prayer and the experience of the divine.

I come to draw everyone closer to the portal of Divine Peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
