Message for the apparition of the blessed Virgin Mary, transmitted in the city of Rio de Janeiro, Brazil, to the visionary Sister Lucía

My children,

Praise be always Our Lord Jesus Christ.

My beloveds, I thank you for responding with promptness to My call. The trust of My children allows My Heart to reach the most distant souls. Each time that your small beings take one more step in the commitment you have to Me, you allow the Lord to open the path for My Heart to be among you for a longer time.

Therefore, My children, I ask you day and night to trust My Words, My guidance, that you follow without fear the path indicated by My Heart, because you will soon understand where I am taking you with My steps of Pilgrim.

The trust in My Heart will lead you to a total transformation of the heart, mind and spirit. I lead you to the redemption of life and teach you to be intercessors before God, as I am for the souls.

I am forming in your hearts a fortress of faith, for when My feet can no longer rest upon the Earth and My Word will not be so near to your beings.

Through faith you will always find Me in your hearts, and this same faith will lead you to pray for your brothers and sisters, so that, up to the last moment of your lives you will be fighting for the salvation of the most lost souls.

For My Heart to be able to bring to the Heavens even the last of the souls that are in this world, I will need many intercessors with a flame of devotion ignited in the heart. This is built now, when My feet are still on the Earth, when My Word, through My visionaries can directly reach your hearts and your beings.

Build in this time, in which you live so near to Me, the full trust in My Mother's Heart. Trust My Presence and My Words and do not fear to respond to My call, wherever it takes you.

The Lord observes you and, through the answer of your consciousnesses, I may intervene, more or less, for the world and for the souls. Your love, your prayers and your actions dictate My steps. If you understood the importance of these words you would change the course of your lives and you would have the focus of your hearts on My Immaculate Heart.

I leave this simple reflection so your beings may meditate on the actions of your own lives, on the love you are capable of living and on the word you emit. Observe, from the heart, always from the heart, if you are capable of taking the steps in the transformation of your being, for the salvation of souls, of the Kingdoms and of the world.

My Heart accompanies you with Love and will always be beside your beings.

Thanks for listening to My call to the trust of the heart.

Mary, your Mother and Queen of Peace
