Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

I have the celestial power, dear children, to untie any knot or to unblock any impediment, because if the Will of God is accomplished in you, the Law, which is divine and unalterable, manifests at each new step.

I know that your lives have never gone through such a difficult time as this one, nor have you experienced or endured the sufferings and the Wounds of Jesus.

Let the testimony of Love of My Son help you every day to achieve liberation from human forms and structures.

My wish, dear children, is that in these critical times, you learn to not fear and to bear all the universe will send for your inner maturity.

But you are not alone, because your Mother that is in the Heavens will assist you with all Her angels and, in this way, I will free precious souls from the clutches of My adversary.

While you prepare to learn, to know these times, I ask, dear children, that you have sufficiently great patience and love to be able to overcome all that will come.

Trust in the *powerful Flame of Jesus*, for there lies freedom and a covenant of your hearts with the most powerful Heart of Christ.

Each time you lose strength, each time that everything seems impossible or difficult to unblock, lovingly and in a determined way, implore the following prayer:

Powerful Flame of Jesus,
that ignites with Light everything that is life,
that fills with Love everything that You touch.

Powerful Flame of Jesus,
liberate the abysses and all obstacles of life
so that I may be in You
and You in all that was created.

Amen.

I thank you for responding to My call!

Who blesses and restores you,

Your Mother Mary, Rose of Peace
