DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF SAN JOSE, COSTA RICA, TO MANAGUA, NICARAGUA TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

It is through all the efforts of My children that I can carry out My co-redemptive Work in the Americas and in the world.

It is this soul and soulful effort that allows for the balancing of great injustices in humanity, for there is so much inequality among peoples and nations, between those who have more and those who have nothing.

This is why every day, dear children, your Heavenly Mother offers to the Creator these sacrifices, which are highly valued by My Son in this final cycle.

I wish that, beyond what you experience, feel or think, you could understand what all the sincere efforts that His children can make mean to God.

Loving this call to sacrifice, without perceiving it, your lives will lose the vice, pride and arrogance which drowns so many souls in the illusion of material life.

I invite you once again, dear children, to live these times as the times they are, responding to the call to experience transmutation and liberation of the nations as a great relief for all.

Thus, little by little, the chains will begin to break and many consciousnesses, which were imprisoned by human systems, will achieve the inner freedom of their souls and their lives.

Thus, I bring you the Grace to have your consciousnesses expanded and your hearts even more, for this Work that will only offer you great efforts.

I thank you for accompanying Me!

Who blesses you in this sacred mission,

Your Mother Mary, Rose of Peace
