Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

The divine codes held within the Holy Grail or in the Sacred Chalice would help to revert many situations in humanity, however, what the moment of the last supper meant to the universe is not yet held within the consciousness of humanity.

That event, which was sublime, gave the planet the opportunity of reconnecting with the Father and of remembering it as the moment of the redemption of humanity through His beloved Son.

In these times, inner contact with the Holy Grail could lead irreversible situations into another state of consciousness and place human life in the moment of taking a leap in its evolution.

The Holy Grail is now a divine instrument that God uses so that His children can reconnect their essences with the Source.

For this, the practice of thinking and meditating upon the Last Supper will help those who pray to enter into another state of consciousness and generate in their own spirits the communion with the Creator and with His whole Creation.

I thank you for responding to My call!

Who awakens you to divine life,

Your Mother Mary, Rose of Peace
