Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay to the visionary Friar Elías del Sagrado Corazón

I will envelop the planet in My Crown of Light so that the majority of essences are protected during the day of the great battle of Armageddon.

I will spread My Mantle over the nations so that the greatest number of souls may be protected during the time of the purification.

I will ask My holy angels to guide and lead all those in need of guidance and spiritual direction on the paths of peace.

I will reveal My sovereignty to the tyrants and with My Love, I will defeat those who persecute good Christians.

In the days that will come, I will not let anybody become lost. Within what is allowed by the Law of Grace, humanity will be able to become aware of the message of the end of times.

I will give My pure Heart to all those who want to adopt it as a refuge and shield against all adversity.

I will emit the signs of the cosmos to the planet and everything will be very clear, so that nobody is confused.

In the times that will come, immediate prayer will be the lifesaver that will withdraw from the shipwreck those who have fallen into their own abysses.

Each true act of love will represent an opportunity for souls to take their steps and be freed of the chains that imprison them.

There will be for a short time, a period of inexplicable peace that all must take advantage of so that many inner and outer situations can be resolved through sacred harmony.

This time is close, and you must prepare yourselves to be always ready in service to Divine Will; for in this way, dear children, you will help to accomplish all the stages of the sacred Plan of Love.

I thank you for responding to My call!

Who sanctifies you in Christ,

Your Mother Mary, Rose of Peace
