MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Praised be the Lord forever, Who consents to be born and reborn in the hearts of this world! May He be praised for all eternity, for His Infinite Mercy!

My children, while the world loses itself in hollow celebrations and profound illusions, which cause consciences to be submerged in the abysses of the planet, My Immaculate Heart invites you to an immediate reparation of the Sacred Hearts for all the outrages that the enemy leads you to commit as a race on days in which you should glorify Creation and give thanks for Its Pity and Mercy.

Today I will call you to prayer and to the vigil of the heart, so that you may cry out together with Me for those who have forgotten God and for those who believe that they think of the Lord and, for a moment, thank Him, but who care much more for the feasts and things of the world, rather than for truly worshipping the Lord, Who returns in Spirit, especially during the days of Christmas. What is much more serious for God is that souls deceive themselves and proclaim a false faith, than them really experiencing it in ignorance and sin because of not wanting to know the Creator. For this reason, I will ask you to also pray for all Christians of the world, especially those who deceive themselves and are deceived, proclaiming a faith with no depth and without a true union with God. Pray for the families and for the children who do not find any other example except the contradictions that they experience before themselves and the discrepancy that exists between what they see when their parents speak of proclaiming God and what they live daily.

My beloved ones, apparently the Lord counts on many soldiers and the faithful, because there are many who have proclaimed themselves companions of Christ; however, in truth I tell you that few, very few are truly willing to renounce what the world offers to live according to the principles of the Gospel. Even fewer will be those who, at the time of the final test, will abandon themselves to choose the definite path of salvation.

This is why I ask you to pray a lot so that the Lord, who came to the world willing to fertilize the hearts of humankind with His Sacred Spirit, can do so, in order that consciences are strengthened by the Presence of Christ within them and take the correct steps for their evolution and for the concretization of the Plans of the Creator of all things.

I love you and thank you always for being willing to accompany Me in this Marian mission of salvation and rescue.

Pray also for each other and for yourselves, so that My Heart may triumph in your lives and overcome your deepest resistances to living love.

Your Mother Mary, Rose of Peace
