MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TRANSMITTED BY THE MOST HOLY MOTHER AND QUEEN OF ALL NATIONS, THE VIRGIN MARY, TO THE VISIONARY SISTER LUCÍA

Enter into prayer in My Merciful arms, for just as God sends tests to His children, He also sends the consolation you need to overcome them. There is no pain in the world that cannot be alleviated.

The Will of the Lord was that His creatures, through the living example of His Son, would be able to learn through love, but the choice of the human consciousness was to learn through suffering.

My dear ones, the Heart of God also suffers because of pouring out Justice upon His children, but the Lord respects the free will of His creatures and knows how necessary it is that humanity grow and mature in its heart and spirit.

What takes place with humankind is still little for balancing all the evil caused by humankind itself with their fellow beings and with all the kingdoms, of which you should be guardians.

My beloveds, God is Love and is infinite Forgiveness; His Mercy never ceases to stream over the world, but it is necessary to want with the heart and ask the Father that this Sublime Source to be poured out over the Earth.

Today I come to the world to bring you encouragement once again. Each time My feet touch the Earth, it is to carry under My Mantle the souls that said 'yes' and the souls that, through the intercession of others, were able to be liberated from the darkness in which they found themselves.

Ignorance darkened the life of human beings and closed hearts to the existence of the sublime and the sacred; for this reason, it is necessary that those who receive the Light of Wisdom and of Divine Knowledge, those whose paths were illumined by the Mercy of Christ, be the new light for humanity. The only thing I ask of you so that this may happen is that you pray, but truly pray, with intention, with fervor, with the heart ablaze in the cry you raise on behalf of the world.

Do not allow, My children, the darkness which covers the world to cover your eyes again. Keep on the path that takes you to the Heart of Christ, so that through Him you may find God.

My beloveds, on this day I tell you that it is possible that the Plan of redemption of all consciousnesses may be fulfilled, and in the face of the unpredictability of hearts, it is possible that this Plan be accomplished through the Divine Love in your hearts. For this, it is necessary that those who have already removed the blindfold from their eyes, also remove it from their heart and their consciousness, and go ever deeper in that unveiling of the Love of God in His Son.

Love what God gave to the world through Christ and seek that Love with all your strength and with the total aspiration of your lives. In this way, you will find a sure path of consecration.

I do not know what you fear, since the only thing I bring you is the Love and the Peace of My Kingdom. Just allow yourselves to receive those Divine Graces, and in this way, I will be able to show you the Power that God sends through His Messengers.

These are the times to truly open up, to give of yourselves to the Lord completely. Present your faces before God, so that the Sacred Seals be impressed upon your forehead, and thus awaken the Living Christ within each one.

May the pain of your neighbor awaken love in your hearts and that, through the awakening of the nations, suffering in the world will no longer be necessary.

If you help Me in My Plan of Peace, I will be able to reach where My Peace is extremely necessary, and little by little, remove from the abysses of the world those who committed to Me and to God for the end of times.

Work with love and perpetually pray.

To those who are waking up, do not stop your steps and continue to grow in spirit and in awareness, for the path offered to you is eternal.

I thank you for being with Me in prayer!

Your beloved Mother Mary, Queen of Peace and of all nations of the whole world
