**MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF THE CHILD KING, TRANSMITTED BY THE MOST HOLY MARY, ROSE OF PEACE, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

I will deliver every last petal of the rose that I hold inside Me so that the ignorance of humankind may be dissipated.

As the pure and maternal Love born from the Essence of God, I come to the world to heal what is incurable, to overcome what is invincible, to overthrow what is unshakeable and which separates the creatures from their Creator.

In this final time, I will spare no effort or words to awaken the human heart and definitively remove it from darkness, from the ignorance in which it permanently lives.

Children, I will move everything, within and outside the hearts, so that the proud may live in humility, the arrogant in renunciation, the egoists in service, and those who ignore and deny the existence of God may have all evil dissipated from their eyes and hearts.

As long as there is still the intercession of hearts in the world, I will always act. As long as there is still one heart that truly prays, I will always be here.

The day of the end of the darkness of the world approaches, and all the roots of evil that dwell within beings will be uprooted by the power of My Love and Divine Justice. You will feel that the ground trembles, the interior does not sustain itself, that the spirit is troubled and the soul cannot support the clarity of My Light, but be persistent and trust in My Heart.

You will see that many of those who appeared to be brave soldiers will give up their armor; others will fight with opposing armies. Let not the example of those who do not follow Me be a reason to disrupt your paths.

You will see an evil that you did not know existed emerge within yourselves. Simply hold on tight to My divine hands and reaffirm your consecration to My Heart because I will sustain you in this purification and, although I allow you to be tested and that you confirm yourselves on this path towards the Light, I will always accompany you silently.

I will speak intense Words that will make the enemy lose his reign within the human heart. I will overthrow the arrogant and proud spirit, not to mistreat it, but so that it learns, once and for all, the path to humility.

I will allow you to live great loss in human eyes, but to God they will be unique opportunities to divest of yourselves and follow only one path. I will banish the illusion from My soldiers and I will make them mature before the Plans of the Creator.

At My side will remain only a few who will completely respond to My call, but with these, I will keep the doors of redemption open for all humanity.

It is time to define your paths, knowing that the consequences of your choices will not be seen in this world, but rather after this life.

For many, the end of everything will appear to be a great failure, and those who enjoyed the illusion of matter will exalt themselves for having chosen the path of the pleasures of the world. But, when Heaven opens before the doors of hell and Divine Justice indicates the new paths, you will then feel the merits of all sacrifice and all renunciation achieved in this life.

I do not want to cause you fear, but it is time to be true to yourselves so that you may live the awakening.

Become mature in the times that are approaching.

I will guide you as long as you say yes to Me and, with the decisions of life, you demonstrate that you respond to My call.

My blessing will be perpetuated on this sacred ground of the New Earth, an earth that must live a new cycle of maturation and inner decision. Thus, you will demonstrate to the world the miracle of love and redemption.

I trust in your hearts and know that you will follow My paths.

Your Most Holy Mother, Mary, Rose of Peace
