DAILY MESSAGE OF MARY, ROSE OF PEACE AND MOTHER OF REFUGEES, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

My dear children,

Your Heavenly Mother is preparing to descend spiritually, with Her resplendent Heart, together with the missionaries of peace, in the city of Ankara, Turkey, where the first steps of assistance to refugees, through this new humanitarian mission, will be revealed to My missionary children.

Turkey is a nation that has welcomed the suffering and exile of millions of refugees. Ankara has been one of the cities through which My children pass in exodus.

The fear of being lost, due to war and persecution, has led refugees into exile in the nations of Europe. Therefore, dear children, this humanitarian mission will first try to help by bringing peace in the midst of the despair of those who, out of fear and by war, have lost everything.

On the spiritual plane, the Celestial Hierarchy will work so that on the inner planes, souls regain faith and trust in God, which are dissipated by the war. In spite of all that is happening, your Celestial Mother will guide the missionaries so that they meet the souls who have true physical, moral and spiritual needs.

The missionaries of peace will carry within their hearts the testimony of the Love of God and will demonstrate it through works of service and charity to the people they will meet in every place.

Spiritual and human shelter will be one of the important keys for this humanitarian mission in the Middle East. Therefore, My missionary children will see, in all that is unworthy and sad, the opportunity to recover purity in the exiled hearts. It will be a time to reflect and to learn about the deep union that must exist with God, despite the circumstances.

Dear children, Turkey is the portal through which those who escape from war pass; the spirit of peace must be recovered, for everything must begin again.

My inner guidance will be in all missionaries.

I thank you for responding to My call!

In a Mission of Peace,

Your Mother Mary, Rose of Peace
