Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Through His beloved Son, God desires to institute the devotion to My Immaculate Heart as a divine instrument of salvation and of rescue for souls that are lost.

For this to be possible, special Graces will be spiritually generated by those hearts that spread the devotion to My Immaculate Heart; for the victory of the Kingdom of God will occur when souls, in complete repentance and humility, ask for My maternal intercession.

Your Heavenly Mother promises not to forget anyone during the most culminating time.

My Son desires that this true devotion to My Immaculate Heart transcends the times of today and that, by living and practicing good examples of charity, souls generate the merits necessary to achieve redemption in a broader way.

The foundation of the devotion to My Immaculate Heart is to maintain the affiliation with the Eternal Father; bring to all the spiritual and sacred principles that renew consciences and awaken, above all, a life of holiness and of consecration, important foundations that will allow a new way of life, permeated by the Holy Spirit of God.

All those hearts that in these times adopt a posture of inner devotion to My Most Sacred Mother's Heart will be helping to strengthen that devotion in the planetary consciousness and in all those hearts that must reencounter a deeper union with the Kingdom of the Heavens.

Therefore, My children, this is the time in which the Three Sacred Hearts are giving of themselves so that souls may drink from the Three Founts of Mercy that come from the same origin and from the same Father of the Universe. That devotion will bring you renewal and, above all, peace in today's times.

I thank you for responding to My call!

Who blesses you with love and compassion,

Your Mother Mary, Rose of Peace
