### **MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF SAO JOSE DO RIO PRETO, SP, BRAZIL, TRANSMITTED BY THE VIRGIN MARY, OUR LADY OF LIBERATION TO THE VISIONARY FRIAR ELÍAS**

I come from Heaven to São José do Rio Preto so that all may get to know Me as the Lady of Liberation and of Peace.

I have the power, after My Son, to purify all your sins through My Virginal Purity. My Maternal Love has the power to transform lives, and of setting free the moorings that imprison the hearts. My Celestial Light has the power of healing any evil and of alleviating suffering.

I Am the Mother and the Lady of Liberation because I have the Divine Authority to make you re-emerge from the darkness of life, and to make you fly as high as a bird. I have the power to absolve your mistakes and to transfigure them in love and truth.

I Am the Universal Mother, that one who has the power to radiate Her Divine Love between the spaces and universes.

I Am the radiating Sun that was born from God and I Am that who gestated on Earth the Firstborn Son. I have the power to make life be born in a barren womb, because life arises by the action of love.

I have the permission of God to succor you and to liberate you.

For this, that on this day of Jubilation, may you have sufficient strength so that you may be able to surrender all that makes you suffer, and that prevents you from walking towards God.

God has given Me the power of transforming you and of redeeming your life through the Supreme Light of My Heart. Now, in consciousness and awakening, may you know the presence of the Lady of Liberation because I wish that all My children seek the assistance that they need.

Dear children, today I present Myself for the third time in São José do Rio Preto because your request that I would return was heard in the Heights of Heaven. I have the power to respond mercifully to the needs of all of My children.

I want that you know that Christ, Your Lord, acts also by means of the Immaculate Love of My Heart.

I hope that each child of Rio Preto will be united to the Redeeming power of Jesus through the Eucharist, because it has the power to forgive and to redeem you; by means of Confession, which has the power to absolve you; and by means of Prayer, that has the power to strengthen you and to prepare you for the path of consecration to God.

God waits for you to awaken to the liberating power that lives in Heaven, to the power of love that is poured each time that the Lady of Light descends and appears to help you.

Dear children of Mine, your captivity is ending, hold onto My Sacred Mantle because in this way I will elevate you to the Kingdom of Peace.

São José do Rio Preto shall diffuse the devotion to My Immaculate Heart through the groups of prayer; thus you will be able to be Legionaries of Mary for the end of this cycle.

I lovingly leave you a prayer of liberation and of redemption for your lives:

Supreme Mother,  
Universal Star,  
may Your Powerful Love  
liberate the ties.

May the luminous swords  
of Your Holy Angels,  
cut away involution and  
any difficulty.

May the power of Your Healing  
reconcile our heart with God and,  
united to Your Immaculate Heart,  
may we experience the promise of the  
victorious return of Christ,  
Our Lord.

Amen.

I thank all My children of São José do Rio Preto for having prepared My arrival with so much love!

Your Mother Mary, Lady of Liberation
