**MESSAGE OF THE VIRGIN MARY, TRANSMITTED DURING THE APPARITION IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY SISTER LUCÍA**

My Heart, on this day, rejoices a little more because of the merciful response of My praying groups. I know of the effort and commitment of each one of the little lights of this network that is being woven upon the Earth.

Today My Heart invites you to take a step on the path of consecration, the consecration to My Heart, and this step is to live My Message of salvation.

My children, especially those who listen to Me for the first time, I invite you to continue walking because if God allowed your hearts to meet My Immaculate Heart it is because your souls have already said yes to My Plan of Peace.

To those who meet me for the first time, from your cities, I invite you to follow this path of prayer traced by My Heart.

My dear ones, My Heart descends to the Earth, in this time, to proclaim Peace and bring to the world the salvation that many souls wait for. If you listen to My Words with the heart, above all those pronounced in recent times, you will be able to feel the Love which descends from the merciful Source of God to fill your lives.

Therefore, I only tell you to open your hearts and spirits and only say yes to My Heart; in this way, I can soon be closer to your hearts and your lives.

I thank you for walking towards My Heart.

Mary, Mother and Queen of Peace
