MESSAGE FOR THE VIGIL OF PRAYER OF THE MOTHER OF THE MOST HOLY PEACE, TRANSMITTED IN THE CITY OF SAN RAFAEL, MENDOZA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS

My dear children,

When My Immaculate Heart descends to meet with you, universes, laws and stars relate among themselves so that the Mother of Heaven, under the power of Her Son Jesus, may be able to intercede and pour out Mercy upon Her children, cities and even entire nations.

Thus, today, through the loving prayer of all the faithful of San Rafael, devotees of My Heart, the Mother and Queen of Peace will come to remind you of the prayerful commitment to Me and to My Son Jesus.

On the eve of the consecration of the world to My Immaculate Heart, the malignant networks and the consciousnesses that are against the evolution of humanity, are propagating a non- veneration to My Immaculate Heart like poison and they will want to achieve power above all things.

I ask that you, from the heart and soul, unite to the spiritual power of the Holy Rosary, so that you may be mediators between Heaven and Earth; and in this way, your hearts may support the great moment of consecration that the Holy Father Francis will do before My maternal Heart and the world.

To be consecrated to the Immaculate Heart of Mary means to establish the victory of the Plan of God in the world. To be consecrated to the Heart of the Most Holy Mother means to open the doors of Heaven so that the laws of Mercy, of Grace and of Pity may aid all of humanity, especially those who live in grave sin.

My children, the times are accelerating and it will be necessary that you awaken to the call of conversion that My Heart dictates for you through these meetings of prayer with Me.

For the first time, from Argentina, My motherly Heart will intercede before the Father during the day, October 13. This day can be a day of vigil of prayer with the aim of the world being redeemed through the pure love of God.

Dear children, I am with you and I follow each one of your intentions. Now I call you to planetary and universal prayer, because if all unite with the Purpose, the whole world will be able to be assisted and will not suffer for not having changed in time.

For the first time in history, My Presence turns to and calls to children that live in an ecumenical prayer of the heart. For the first time, the Mother leaves the Mother Church to seek souls that despair and that have lost a preferred unity with My Son Jesus.

Christ has sent Me, in the name of the Holy Spirit, to call those who are not religious and those who have never found Me on their paths, because as the Mother of Grace, My Immaculate Spirit wants

to touch the wounded hearts.

I beg My Son that the Church He founded not fear what I am doing and help Me to spiritually collaborate and support the Marian mission that I am carrying out through these consecrated visionaries. No doctrine will change, no soul will lose its path by meeting with Me.

I need the loving support of the priests, so that their prayers may help in the building of this path of peace that is for all.

Dear children, I am Mary of Nazareth, I am Mother Mary, the Star of Peace. Do not fear anything anymore, because only through My steps will you see the Light.

I thank the Church for helping in the missions of the Immaculate Heart.

Thank you, San Rafael, for trusting and fulfilling My call for Peace!

I thank you all,

Mary, Mother and Queen of Peace
