WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

These are the times in which true definitions are presented, these are the times in which what is intermediate or indecisive no longer has space within the human consciousness.

These are the times to see and recognize your own inner reality. It is time to correct, it is time to amend, it is time to rapidly mature. Nothing can happen to you that is without meaning or cause.

Therefore, My children, every second that passes, your consciences must seek and seek to live the Will of God because when that Will and that Design are not fully lived, souls suffer to the point of believing that God abandoned them.

Therefore, beloved children, learn to measure the consequences of what you decide and what you do. Do not miss the sacred opportunity to be on the path of the apostleship of My Son, the change or the passage of the inner state only depends on you.

Persevere and be firm through the Love of My Son. This will allow you to perceive, more each day, how important the redemption of humanity is so that, finally, this outraged planet may be freed from all that it suffers on the part of the men and women of the Earth.

I thank you for seeking true inner consciousness.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
