As Mother of the Good Advice, today I tell you My children: be in My Peace, trust in My Peace, live in My Peace, so that this celestial and inner serenity that many of My children lack may come to all through the imperious strength of the prayer of the heart.

Today I am with you, tomorrow in the Celestial Kingdom of God the world must be consecrated to My Immaculate Heart, this is My divine mission for this time.

For this dear children, the offer on your part, by means of the exercise of prayer and of a life of sanctity, manifested in fraternity, in charity, in service and in love to the neighbor, all this will count for the merits of the salvation of the world, for the salvation of all the souls who are without God, even those who still believe they are in Him but whose lives take them away from the Heart of God.

So, beloved children, the most loving act of reparation for all faults committed against the Universe of God is the prayer and the fraternal donation for others.

I want to tell you, My little children, that each step you give through prayer will be collaborating for peace in the world.

The Grace and the Love of God will be the strength for all the Marian missionaries who are on their way to the consecration of My Immaculate Heart.

Also, today I tell you, My little creatures, to not have fear for anything. I will be in your hearts when you allow it. Know that I am a Messenger of God who wants to let you know the infinite love of the Father in My Son Jesus.

Your hearts must be prepared for when the One Son of God returns to the meeting of all the hearts. Trust in His Merciful Love because each one of you may be in this immense and compassionate love of Jesus.

Let us pray for all the reasons that hearts need before God the Father.

Thank you for answering My call.
