APPARITION OF THE VIRGIN MARY AT MOUNT SHASTA, CALIFORNIA, UNITED STATES, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

The sweetness of My Heart for the world is indescribable, for in It is held not only the purity of My Spirit, the Conception of My Divinity, but, mainly, the Love of God, which is not deeply known to soul, but only to those who have decided to go deeper into the greatness of My Heart, which is the refuge for pilgrims, the breath for the sick, salvation for the fallen.

Thus, today, dear children, I show you My Immaculate Heart, the same Heart that appeared in Fatima to stop the war, the destruction of humanity and its spiritual consciousness.

As Mother of all peoples, of all races and nations, time and again, I unconditionally offer My Heart, because, as a Mother, I still wish to have you all in My Heart of Love so that you may be reborn in spirit, in peace and in brotherhood, attributes very essential for today's world.

I want you to disseminate My Immaculate Heart throughout the world, just as I asked of the shepherds in Fatima. Thus, dear children, you will be preparing your consciences and your lives for the centenary of My Apparitions in Fatima in which, throughout Europe and the whole world, the Mother of the Sun, the Divine Consciousness will be remembered for, at that time, having come to stop the error of humanity and, in consequence, its perdition.

My Heart still suffers because there are many of My children who, first of all, do not know Me as their Mother and have never approached My Consciousness of Light so that I could console and love them.

It is for this reason, dear children, that from the heart of Mount Shasta, the Mother of God and of the Most High pours out Her codes and attributes, the attributes of the Universal Mother, so that they may descend into the souls that most need them, and also into the Kingdoms of Nature which, in essence, were created by the Love of God, for supporting the balance of humanity and the whole planet.

Today I show you My Immaculate Heart as that sacred Temple of God that is offered to the world monthly, so that hearts may be able to enter into it and receive all they need.

In this time, I want to see that through the strength given to you by My Immaculate Heart, your lives are humble and simple in light of the errors of humanity so that, through the purity of your hearts, which emerges like a fount of love in the Sanctuary of Lys-Fatima in Portugal, this whole principle of love and energy may be able to reach those souls and consciences that separate from God every day, reaching the abysses, from which nobody can any longer reach them.

Just as today you have prayed to My Immaculate Heart to contemplate the Nativity of My Son so that the inner Christ may be able to be born in many more consciences, I offer you, dear children, My Immaculate Heart. A Heart that has been hurt and wounded many times by the sins of the world, by the indifference and pride that exists between the nations and the world, which also

exists between families, and, especially, between the creatures of this whole humanity, who were created by the Hands of God to accomplish a divine Purpose that, since the coming of My Son up until today, has not yet been accomplished.

It is for this reason, dear children, that I need you to enter the mystery of My Heart, because there lies a universe of unknown Love, an opportunity for you to be able to commune with My Son through My Heart and also be able to receive the gifts which will strengthen your lives and consciousnesses, with the goal of the realization of the Plan of God on Earth.

It is thus, dear children, that, on this day, in which My Son has been born in the world, in the spiritual world of humanity and in all hearts that simply allowed Him to enter into the depths of your souls, I come to ask that you follow My steps of Light so that I may pour out My Graces over that which is still necessary to redeem and forgive, in light of the whole creator universe.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

My Heart, exposed to your eyes, represents for humanity a time of emergency drawing closer.

With My Presence in this nation, My children, I come to avoid souls continuing to suffer from the injustices caused by humankind. I come to awaken your hearts and call your spirits to restore the Heart of God so that, in this way, you may generate merits with Me, for a greater time of peace.

The Creator, children, does not expect evil to draw close to your lives, and yet humanity sometimes opens the doors so that the darkness may enter into your homes, your families and your hearts.

Today, with the power of My holy humility, with My Heart exposed, I come to balance this evil so that it may never again approach My little children. But you must say 'yes' to Me, and open the doors of your consciousnesses and your homes to the Sacred Family through permanent, true prayer that will attract the Kingdom of God to this world.

What I ask of you, children, is very simple, but very important, because this is the only way that the planet may come to know peace, and that wars may stop within and outside of human beings.

If so many years ago three little children, who were before this Heart, stopped a war in this world, imagine, My children, if you sincerely pray and if you surrender your lives to My Immaculate Heart, how many wars and how much pain could be avoided in this world.

In truth, the destiny of humanity is not only charted by the Will of God. It is also charted, children, by the conscious will of each one of you, because you write your own story according to your actions, thoughts, according to the expression of your souls when you allow them to be mirrors of the Divine Presence.

The Sacred Family came yesterday to transform the human condition of those who opened their hearts. And, today, I am here to concretize that Divine Will in each of you. But I will ask that, as from today on, you pray fervently, every day, defeating human pride and vanity that stops you from being like children, like the shepherds of Fatima, and stops you from praying with the heart.

Today I ask, children, that you definitely allow That Son Who was once gestated in My womb to be gestated in your essences as a new human being, to transform you forever.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

On this day, a cycle is closing in the State of California, in which Our Spiritual Consciousnesses, beyond Their limitations, have entered the abysses of the Earth so that many souls could be restored and again find communion with the Eternal Father.

This was possible yesterday, dear children, when you were waiting for the coming of the Redeemer within your hearts, when you communed with My Son, through His Body and His Blood. Infinite doors opened for the liberation of the oppressed, for the rescue of those lost and of all those who need to again find the path of the spirit at some point in their lives.

It is for this reason that today, I show you My Heart, so that all My children, the Children of Mary, may offer a greater effort as a sacrifice to your Heavenly Mother for those who must still be rescued in this humanity, which suffers and is lost daily.

Through My Grace, I come to reestablish the consecration of your hearts and lives to My Immaculate Heart.

It is on this evening, in which the sacred mountain of Mount Shasta shines throughout this whole region of North America to ignite devotion and peace within hearts, that your Heavenly Mother, together with Her angels, again come to bless you, so as to be able to bless the world in this end time.

Let those approach who will be consecrated as Children of Mary, so that you may receive My Graces, the Grace of reparation, of Communion with Christ and of the union of your spirits with the Primordial Source of the Father. For, in this way, dear children, many conditions that were lost, making you unable to live a Christic life, will now be able to be reintegrated into your lives and that of your loved ones, as well as in humanity, which urgently needs it.

You may kneel before Me so that I may draw closer to you. I want you to place a request within My Heart. I will listen with love, in the silence of your inner selves, because, in silence, everything is known, and Our Hearts know all things. And, in this way, you will be able to help souls again find the path, the meaning of this mission on Earth.

By the Immaculate Heart of Mary, as the Lady of the Most Holy Rosary, I radiate the Light of My Heart to you, dear children, consecrating you under the absolution of the Son and the intercession of His Divine Mercy. In the name of the Father, the Son and the Holy Spirit.

In the same way I heard the voice of the world crying out for peace, for awareness and for the awakening of a life of fraternity and brotherhood, I want to hear that same voice that has intoned this request for Mercy for all of North America, the song that My daughter Piedad has sung.

Today, I want to carry this song within My Heart to God, for each of you, for each of your brothers and sisters, because you are very separated from your own truth, and, above all, from God.

I want to thank you, dear children. As your Celestial Mother, I will wait during these days for your hearts to open a little more so that My Message, the Message of My beloved Son, and that of My holy spouse Saint Joseph, may be able to reach Oklahoma, Miami and Orlando, places that have

waited for more than a hundred years for liberation.

For granting Me this opportunity, dear children, of reaching the hearts that have need of God, I thank you and bless you with the luminous Cross of Christ, in the name of the Father, the Son and the Holy Spirit.

Now I will listen to your voice, like the voice that unites Heaven and Earth, souls and God, under one purpose.

I love you and I thank you.
