APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Adonai,
Mercy, Mercy, Mercy.
Redemption, Redemption, Redemption
for this planet.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

While the doors of Heaven are still opening, I come as your Universal Governor, as Queen and Mother of all angels, at the request of My Beloved Son.

Today I came with all of them, those who started Creation. See them within you. Feel them with your hearts; they are the angels of God that come to the world to bring peace to it, to bring the Mercy of God to all the conflicts of the world.

How great is this Universe of God, which only the most simple and humble hearts can glimpse completely with the vision of the infinite. It is this infinity which is approaching you today, dear children, it is the Celestial Kingdom that is approaching to bring Light to hearts, healing for all souls and compassion for all consciousnesses.

Today, the angels of the universe support My Mantle of Light so that it may extend upon the world, especially upon the nations where peace and redemption are lacking.

See how many angels draw close to you to bring you the wisdom of God and so that it may be understood by your hearts as a deep feeling of unity.

Thus, perceive the real time, the true reality that descends today to the planet and upon this Marian Center to renew your purpose before God and the purpose of all others.

Today I come to make known to you, dear children, the essence of the Creation of God, something which in these times will be revealed to those who are awake and to those who are asleep, for there is still some time left of Mercy.

I would like all My beloved children, with their consciousnesses, and above all with their hearts, to penetrate these sacred dimensions that are present before you today.

Today, especially for you, dear children, and for all My children of the world, those awake and those ignorant of this knowledge, I have brought each one of the angels of the Creation of God. Because in truth, My Father, through His Beloved Son, has sent these sacred winged presences before your eyes, to bring you the Breath of Spirit. That Breath of God which, from time to time, vivifies the soul and enlarges the spirit by being united to His great humility.

These holy angels, dear children, are the ones that drew close when the Son of God incarnated through Me. They were the ones that, in the world, prepared the Coming of the Messiah. They were the ones who announced to Saint Joseph that He would be the Father of Jesus, the witness of this great miracle of Love. The same angels that announced to My Mother, Saint Anna, the coming of My Original Purity to the world.

The angels of this Higher Creation were the ones who guided Moses and allowed the guidance of the peoples in the desert.

They were the same angels that were with Abraham to form the new tribes that would hold the codes of the Coming of the Redeemer in the essence of their souls and their spirits.

It was these same angels, dear children, that have accompanied Me throughout time in the Apparitions, in each place of the world where I have been present to bring the warning from Heaven, the Message of peace and of reconciliation to the world.

It is these same angels of God that today, present before you and your hearts, come to the world to be able to guide you toward the final Purpose, toward the day of the great Final Judgment.

It was these same angels that followed the Passion of My Son; those that, with their own hands, gathered up each spiritual drop which My Son shed through His Holy Blood.

It was the same angels, dear children, that, together with My Son, supported the Chalice of the Last Supper, pouring the Mercy of God into it and testifying to the world that He was the Redeemer, the Savior of all consciences, throughout the times.

It was these angels, sent by Saint Michael the Archangel, which attended to Jesus during the flagellation, that together with Him experienced each pain endured and the Blood shed for the salvation of humanity.

It was these angels that consoled the Heart of your Sorrowful Mother on seeing Her Son flagellated and outraged for the sins of the world.

It was these angels, dear children, which, together with Jesus and the Cyrenian, carried the heavy Cross of the world, the great universal debt which has still not been paid.

It was these angels which supported the Cross when the Face of My Son touched the ground.

It was these angels which, at the foot of the Cross, for three days, contemplated the sacrifice of the Son of God and helped Jesus to release from the hells of the world all those who were in them.

It was these very angels that announced the Victorious Resurrection of Christ, Our Lord, to the women of Jerusalem.

It was the angels that accompany us today that accompanied your Lord on the path to Emmaus, to testify on His Resurrection to the world.

These very angels, My children, accompanied the Ascension of Jesus and held in their hearts the promise of the Second Coming of Christ; something that today, these very angels of God, in the Presence of your Heavenly Mother, come to testify and confirm that the Return of My Son is near.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Have you ever asked yourselves why I Am the Queen of the Angels?

From where does the power come which the Creator gave Me, of crossing the universes and the dimensions, accompanied by those creatures that first inhabited the cosmos and that represent His Purpose for all His Creation?

Have you ever asked yourselves, My children, where does My Motherhood come from? Could it be from this world or from the whole cosmos?

Was it just the Redeemer or all of your essences that were born from My Most Pure Womb?

Today I bring you a great mystery, which I write in the mirrors of your hearts, reflecting in each of you the holy presence of the celestial angels.

When I reveal each passage of these angels on Earth to you, I am not just telling you a story; to your consciences I bring an impulse, a key that opens a door for you so you may recognize a truth which is more than millennial; it is eternal.

Before My holy angels and archangels, I want you, My children, to recognize the essence of your creation, the origin of your essences; because today, on this evening, represented by My Presence and the presence of the holy angels, you have here all the divine mystery.

I Am that Mother Source from which life comes, and each of the archangels, whom I bring you today, represents the manifestation of life.

Today, in My Presence, contemplate not only That Woman of Nazareth Who in Her Womb carried the Son of God. Today, contemplate this Great Womb of Creation, this Maternal Source from which come all those who, like the Son of God, must manifest His Purpose and His Plan.

On this evening, children, when revealing the passages of the life of Jesus together with the holy angels, I want to show you that these very angels are present with you so you may manifest that very sacred Purpose experienced by the Sacred Family.

These very angels awakened each of your souls, led them on the path of purification, and today place them before an infinite purpose; because the time has come to live it.

I would like to reveal many things to you, and I reveal them to the heart, which is able to understand this symbol that I bring you today, and which will unveil many mysteries of which humanity has always been ignorant.

Thus, today, children, contemplate this Divine Presence and, in the silence of your hearts, let Me show you what I would really like to tell you on this evening.

Little by little, I will prepare your souls, your spirits, so that in the name of humanity, you accomplish the Plan of God, aware of His manifestation.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary;

My beloved children, we will now pray the prayer I have transmitted to you, so the planetary consciousness, and above all, the human consciousness, awaken to this truth.

Friar Elías del Sagrado Corazón de Jesús:

We will pray seven times:

Holy Queen of the Angels,

Holy Mother of God,

reveal to our souls

the presence of the angels of God

so that, united with them,

we may experience awakening and redemption.

Amen.

Now, dear children, I will call two souls to come here that are part of My Mirror, of the Great Mirror of universal prayer: Anarel and Friar José de Arimathea. On this, their day, My Heart sends a maternal blessing.

Let them come here.

See how in the mirror of one heart is the impulse for the healing of souls and in the mirror of another heart is the impulse of devotion for the salvation of the planet.

May these, My beloved children, whom I bless today, place their hands in the sign of reception.

They seem different, but are the same. From where they came, there is unity, and it is that unity, dear children, which must keep the mirrors of your hearts united, so that My Plan may be concretized, just as it is accomplished in them and in each of My children.

As Queen of Peace, I place My hands upon their consciousnesses, radiating My maternal blessing and My celestial gratitude to them for continuing to carry out this sacred Task.

May this testimonial of love help you all to continue onward, because My Purpose in you is infinite.

I bless you with the celestial authority and in the Presence of the Father, the Son and the Holy Spirit.

I have not forgotten the Children of Mary; I am only teaching you, as I taught My Son, that the simple of heart, the last, will enter into the Kingdom of the Heavens.

Let the Children of Mary come here, who are to be consecrated today.

Contemplate the angels of God with love, sacred presences of infinity that come to unite souls with the Heart of God. Let these, your souls, be the ones who live the Purpose of the Father, just as I

have lived it for you, in the beginning.

May this commitment which you take up today with Me be service to your peers, charity for those most in need, prayer for the sick of body and of soul, and a perfect union of your hearts with God, so that, in this way, My Graces always be among you.

To My Heart silently announce the vow of your consecration. Place your left hand on your breast and silently say to Me what for a long time you have always wanted to say. I hear the voice of your hearts, and I realize My Task in your hearts, for in this way, dear children, I draw you closer to the Divine Consciousness of God, that Consciousness that created you in the beginning and to which you will return when your end comes.

Friar Elías del Sagrado Corazón:

At Mary's request, we will pray the Prayer of the Universal Mother with all the Children that will be consecrated today.

Let us give thanks and glory to Him who allows all these things, for it is to Him that we owe the glory, the Grace and the gratitude for all He does from His Infinite Consciousness of Love.

Today I will not ask you to sing the Hymn of Consecration, but rather that together with the angels, you intone that song which opened the Heavens so they could be present: "Hallelujah".

Thank you for responding to My call, to the call of Creation!

I bless you, My dear children, embracing each one with My Mantle of Light.

In the name of the Father, the Son, and the Holy Spirit. Amen.
