APPARITION OF THE VIRGIN MARY IN THE CITY OF MANAGUA, NICARAGUA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

For the second time, with all My angels, I arrive in Nicaragua to be able to free it from its pain and its agony; so that, through My children, My Immaculate Heart may triumph in the Americas and in the world.

With joy in My maternal Heart, I gather you together again, dear children, in the name of the Father, the Son and the Holy Spirit, bringing Graces to this place and to the hearts that most need them.

I tell you, dear children, that the end of your captivity is near.

The spiritual war will end, for My feet tread on the head of the evil serpent and bring the Light of the entire Celestial Universe, the Light of My Immaculate Heart, which comes to penetrate the sorrowful land to close the wounds in hearts and souls.

Dear children, with immense joy, I receive your prayers, and even more, your hearts, that must be perpetuated in My Heart so that in this way, the Greater Law of Peace may be established and the punishment be alleviated.

Hearts will not suffer if you pray with Me every day, to establish the Sacred Laws of God upon this planet and in the consciousness of humanity, which many souls have forgotten through the influences of the material life.

Dear children of Nicaragua and of Central America, after having been with you in Costa Rica, today I return to this blessed nation, for I know that this nation cherishes Me greatly through the Lady of Cuapa.

I come again as His faithful Messenger, to announce the redemption and the victorious Gospel of My Son, which in this end time must be practiced by your lives and hearts so that the example of Christianity and the good may not disappear from this nation nor Central America.

I want your lives, dear children, to be the example of Christ on Earth, propagating charity and brotherhood among hearts, establishing peace in families and in all your loved ones.

Today I come with the Light of My Immaculate Heart to pierce your hearts in the name of the Holy Spirit, of the Most Holy Trinity, of all Its Celestial Gifts, which will be necessary for your lives, to be able to cross this threshold, this transition of the Earth, with the hope of finding the Promised Earth and the birth of the New Humanity.

Today I am also here, dear children, for those who respond to My call on the planet, for all the prayerful souls that, at this crucial hour, unite with Me in this sacred Mission for Peace.

After this evening, dear children, tomorrow I want you to go out to disseminate My Campaign for Peace. Call the hearts that suffer and do not know Me; you have the inner power to be able to do it.

I want your mouths and your lips to pronounce that the Lady of Heaven, the Immaculate Conception, the Patroness of Nicaragua, the Lady of Cuapa returns to this nation in the face of the Queen of Peace to establish in hearts the hope that have been lost through human suffering, through indignation, through guerrilla warfare, through spiritual and moral decadence.

Opening My arms to you, dear children, I embrace your beloved nation of Nicaragua and all its representatives so you may govern under the spirit of the Will of God, and over this nation establish the sacred star of fellowship, unity and brotherhood.

Dear children, what I seek from your hearts is that you not only pray with Me for the triumph of My Immaculate Heart, but that you also work with Me for all the nations of Central America that are losing hope and faith on seeing so much hunger and so much pain in innocent souls, marginalized and indigent who lose faith in God.

My wish is that after today, dear children, your hearts be like that flame that you hold in your hands; that you proclaim your faith in Christ your Lord not only in daily Communion with His Sacred Heart, with His Divine Body and His precious Blood, but also, dear children, through yourselves, being witnesses to the Word of life, to the saving Word, which strengthens fallen spirits and elevates souls who are in the abysses.

Today I am with all My angels, sounding the trumpets over Nicaragua, so they may be heard beyond this nation and hearts feel the echo of the Spirit of God calling His children and all His creatures to reconciliation and peace among peoples, among nations and among hearts, among families, in all of humanity.

Fulfilling this important request of Mine, dear children, will alleviate the Heart of the Celestial Father, which is injured. Your sins will be released and forgiven. On this same night, I bring you this absolution in the name of My beloved Son Jesus.

I want your hearts to beat as My Heart beats. I want you to feel what I feel for you, the essence of Love and Unity with God that will never separate you from Him, that will always bring you peace for these end times.

I want you to raise, dear children, the flame of that candle, proclaiming over Nicaragua once again the consecration to My Immaculate and blessed Heart, for the rescue of the lost souls, of the essences in need, of all spirits submerged in the abysses of the Earth.

Opening the door of the Greater Heaven, through My Immaculate Heart, I offer them to God, so that the thousand years of peace may be established upon the planet.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

For I will come to consecrate you, to not only consecrate your spirits, but also your families.

I will come to consecrate this nation, to make the ground you walk on sacred, for My feet also touched it and will touch it as long as you call Me with the devotion of your spirit.

Thus, I come to ignite your hearts with an inextinguishable flame, for the fire of the Spirit of God will fire your souls, your hearts, and will allow you, My children, to warm others at the moment when this world is cold and in darkness.

I want to make, of each of you, a torch that illuminates the life of others; that those who are blind find the path through your lives, that they are able to come to Me and to the Heart of God through each of you.

Thus, I will come to consecrate you as Children of Mary, as children of God, so that you may have a likeness to the example of My Son, so you may be My children, as He was. That you are able to offer each instant of your lives in reparation to the Heart of God.

I know that for many there is suffering, pain and anguish for not finding peace in your daily life, for the things of this world absorb you, and many times separate you from God.

On this evening, I come, My children, so you may understand that each sacrifice God offers you is for placing on His Celestial Altar as a reparation for this world, for humanity does not seek the Creator, does not turn their eyes toward Heaven to thank God for the life He granted them.

Today, children, I come to teach you the spirit of gratitude so that through it, you transmute and transform the suffering of this world, just as My Son transformed it upon the Cross.

Today I bring you the cross of love, sacrifice and surrender, but know, My children, that you will discover a different joy, the joy of being in God and of being able to assist Him to rescue souls and the Kingdoms of Nature.

You will find the joy of taking each step in your lives in the name of Christ Our Lord; renewing His sacrifice and His Cross with the cross of these times so that, in the end of everything, your lives generate the merits for Divine Mercy, which will once again triumph in the world, will rescue souls that are still in the abysses, will avert evil and darkness from this planet, and will finally make it sacred, just as God thought in the beginning.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, remember that Central America and South America are the new Eden of the planet. They take care of the Kingdoms of Nature. Make them become sacred in the eyes of the ignorant human beings, so they may wake up to the reverence and devotion which God gave them through the Lower Kingdoms.

Valuing these principles of Creation, the world should have no need to suffer nor should it have a lack of peace.

Listen to the invocation of My Immaculate Heart and carry out the works that I ask of you so that My Spirit not only triumph in the world, but so that your lives are also redeemed in Christ, your Lord, the Master of Love.

Today I say goodbye to this place, dear children, promising to accompany you tomorrow in the Campaign for Peace.

Tomorrow I will come to consecrate you, just as God indicates.

During this evening, in which the vigil echoes on the planet because of the union of all hearts with My Heart, a truce is established so that the most innocent and most suffering souls are able to have the Grace of inner healing, of salvation and of the liberation of Central America. I am also united with all My children of the Caribbean. My promise will be to someday visit them.

Pray for Haiti, so the Mercy of God may be established in that country.

By the Holy Spirit that has assembled us today, dear children, I bless you in the name of the Father, the Son and the Holy Spirit.

Let joy not disappear from your Nicaraguan hearts.

Let us thank God for this Grace and this opportunity.

I love you.

I bid you farewell.

Friar Elías del Sagrado Corazón de Jesús:

At the request of our Lady, we will listen to "Ave Maria" by Gomez, sustaining this inner flame that today Mary consecrated for all.
