ANNUAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, may God, may Christ, and may the Holy Spirit be praised.

While the Doors of Heaven open and higher lights come to you, in this place and in each human heart of this Earth that opens to receive Me, I institute a column of Light that comes from the universe and descends to the planet to establish the Kingdom of God in hearts that were distanced from God.

On this night, when a new cycle begins, I come with the blessed, with those who, having once lived in this world, achieved a spirit of sanctity and of renewal.

Today I am united to each of My children who has opened the door of their home to Me to receive the Most Holy Trinity, today present before you in the magnificence of the Spirit of the Father, the Son, and the Holy Spirit, who pour out new codes for lives redeemed by the Love of Christ, Our Lord.

Today, the reason for being here is not only so you remember your Heavenly Mother, who deeply loves you and contemplates you from the depths of Her Most Chaste and Immaculate Heart. Today I come to show you My Glorified Heart, My Heart made divine by the Spirit of God from the moment of My Assumption into the Heavens. It is this Heart that I want you to contemplate; not for Myself, but because this Heart, My children, is the safe and true portal to the Kingdom of God. It is the Heart that will lead you to a meeting with Christ in the moments of great tribulation that this planet will experience in its cycle of purification.

But today I no longer want you to think about bad things, about things that still happen in this cruel world. I want you to think about the Kingdom of God, which through each Apparition I bring to you with so much Love.

I need you to drink of the fount of this Kingdom of God, to heal your wounds, to cure your faults, to renew your fallen spirits, because you will always be able to rise up again, since I stretch out My loving hand to you, and I help you to walk firmly on this path of transformation.

I know that your hearts have not yet forgiven. You have not forgiven yourselves, nor your family and peers. The campaign to sow love in the consciousness of humanity is still on, dear children.

My beloved spouse Saint Joseph, the Most Chaste and Venerable Saint Joseph, has been willing to help you to seek this path of forgiveness.

Dear children, wake up! The voice of the Holy Spouse echoes in these times of chaos. He brings you His principles of chastity and brotherhood, so that little by little, all feel encouraged to live the patterns of the Sacred Family, which are the Project of the New Humanity.

Today, dear children, in light of the angels that accompany Me, because of the caress they give each of you, I want you to be able to enter into this Kingdom of God through My living and glorified Heart. Because I am not here only with you; I am with each of My children that is lost, at this very moment, through the curses of the adversary.

But that does not matter, dear children; if God has allowed Me to be here among you on this day, it is because there is a Greater Purpose which can be accomplished through your hearts, through your giving of self and service to the Plan of God.

I want you to be able to feel the grandeur of the Kingdom of God at this moment, and how each cell of your beings, each atom of your bodies, each part of your non-material spirits receives the Spirit of God, which through My Presence, blesses you and constitutes you as a new being, like the model that Christ anticipates realizing in this time, in each of His creatures.

Thus, dear children, through My Heart of a Mother, a kind and luminous Heart, the door is also found to the Mercy of God. Within this Celestial Kingdom that has descended directly from the Universe to be poured out over Aurora, place each of your brothers and sisters, place those people you have not yet forgiven, so that this new year may be a new year for everybody, renewed by the Spirit of God and by His Grace, which in spite of the sins of the world, continues to descend for the purpose of saving humanity.

Today I want each one of My children who is listening to Me, to leave this Marian Center being a great spark of Light that will commit to shine in this darkness to guide other hearts in prayer and in the simplicity of service. Because it is the works of charity and of prayer, the works of Mercy, that will be able to reconfigure the lost Land into a promised Land, as was the promise to the peoples of the desert.

In this way, dear children, today I announce Myself to you as the Celestial Lady, the Lady that experienced the Assumption to the Greater Kingdoms, to promise God She would save each one of His children throughout time and the centuries.

Dear children, venerate My Heart.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Because through this veneration I will seek to transform your essences into an essence in likeness to Mine.

On this night, I want My Purity to be a reality within all those who listen to Me, because I do not come to transform you only for yourselves. I come to build, My children, the living islands of salvation, which within each of you, stretched throughout the four corners of the world, will help those that most need to find God.

Dear children, when you are in My Presence, feel My Heart and listen to My Words, because each thing I tell you must enter into your cells, as a principle that transforms you and converts you, which definitely causes all the darkness that still exists within you to disappear.

I want to make of you beams of light amidst the darkness of the Earth, that you be beacons that point the way for those who are lost.

I want each one who listens to Me to be bearers of the truth. That through your example, you draw more souls to the path of the spirit, the path of evolution, of the development of this new race which will be reborn in humanity through the conscious transformation of each creature.

My beloved ones, although My Eyes contemplate the entire world at this time, I come to this place to prepare a pure dwelling place in your hearts, so the Redeemer is able to return and so that, before His Feet step upon this world, His Spirit is able to receive the life within each of you.

Do not think that I do not care about those of My children who are becoming lost tonight. Today I am here also for them; because the transformation of your spirits, your minds, and your hearts will help to rescue those children of Mine who never knew the Light.

When the time comes, when souls need it the most, they will find that Light they never wanted to see, and it will be as a fountain of water, pure and crystalline in the desert of this world. This water will spring from the heart of each of you, just as it sprang from the Heart of My Son. For just as Christ gave to drink of His Mercy at the pinnacle of His sacrifice on the Cross, you also, My children, by resisting the tribulations of this planet and on being reconfirmed, again and again, in your consecration to My Immaculate Heart, you will give each creature on this Earth to drink of the Divine Pity and Mercy that you once received from Christ.

For this reason, I ask you to contemplate My Heart that today reveals the Glory of the Kingdom of God to you, so that this Glory not be far from your lives, but rather that it may live within your beings, beat in your hearts.

On this night, may each one of your hearts beat in the same rhythm as Mine, because I want to make them one with My Immaculate Heart, just as this Heart is with all of Creation.

May you be aware of the unity with God, with His Divine Spirit and with the Mother of the world, because I am already united with all that was created. Now the time has come for all of Creation to be united with Me, so I may return with you, within My Consciousness, under My Mantle, to the Celestial Source from where I once withdrew you in essence and in spirit, to fertilize this Earth, and multiply Divine Creation and Its Grace, renewing all that was created in this Universe.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, as today I do not have any new children to consecrate, I have chosen three new children, at this moment, who will be consecrated in My Presence, without yet wearing My Mantle of Sky-Blue Light.

This is so that you can see, My children, how important the conversion of heart and redemption are; how important it is that souls find the path to Christ and to God again.

I am not judging you, My children; I am renewing you; because through these three children, I will be blessing all of you.

Today I come to renew the vows of all the Children of Mary, wishing that this new year be a year of inner peace for everybody, and that you and your brothers and sisters be seekers of peace.

Let us now go, My children, to this awaited maternal blessing, in the company of all the angels of Heaven, the seraphim and cherubim that sing to the Glory of God.

Call them.

Song: "Children of Mary".

Dear children, in this new time that is coming, I want you to be converted like this light, which as little as it may be, will light up all of the world and all hearts that need to live again in the Mercy of God, in forgiveness, in compassion, and in love.

By the Light of all the angels gathered together in this sacrament of prayer and in a most important communion with My Son, I bless you in the Name of the Father, the Son, and the Holy Spirit.

Thank you, dear children, for being with Me today.

Sing while I rise up to Heaven. Let the bells ring, for a new time has come for all.

I love you.

Friar Elías del Sagrado Corazón de Jesús:

At the request of Mary, we hold a minute of silence for peace in the world.

In the name of the Father, the Son, and the Holy Spirit.

Brothers and sisters, all that is left is for us to do is deeply thank Mary, for this blessing She gave us reached each of your homes. She was showing us how She visited each of the families at the same time.

So, we are going to leave here, the Marian Center of Aurora, with this impulse; committing to strengthening our faith and our prayer, so this Plan of Peace of our Divine Mother may be accomplished in the world.

Thank You, Mother of God, for all that You give us!
