WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Like this rain, which today falls upon My blessed Fatima, so today the Angels of the Queen of Heaven cry for all My scourged, wounded and persecuted children of the Ukraine.

So that there are no longer wars for morbid interests, I ask you not to stop praying every day, because the worst is yet to come.

In order for this moment to be as smooth as possible, I also come to tell you to remember all those who experience other conflicts throughout the world, even though the attention of the nations is focused upon the suffering and feared reality of the Ukraine. Those who communicate and, even more so, those who work with impunity through the media, have removed from the stage others who also suffer so that their voices of pain and suffering could no longer be heard.

For this reason, My children, during this next Annual Meeting of the Children of Mary, at a distance, but very close to Me, I invite you to consecrate yourselves as the praying apostles of Christ so that His Priestly and Divine Ministry may intervene in this harsh planetary reality and, even more so, so that the rest of humanity may not forget those who have already been discarded and exploited, without any value and respect for their dignity as souls.

As long as the established impunity continues to act fiercely throughout the world, by means of imbalanced tyrants, humanity could be facing many wars throughout the world, and society could be moved by indignation, that is, My children could be driven to commit acts never seen before up until today.

Now, do you understand the cry of the Angels of the Lord?

Pray, offer true sacrifices, especially those sacrifices made out of love, and thus the imbalance will be balanced and justified.

Meanwhile, foster peace, dialogue and compassion. No longer be stains in the consciousness of the planet, be children of the Mercy of Christ.

I am grateful to you, and now I ask you to do another Novena through the prayer transmitted last Saturday, March 5, the ["Prayer Against World Impunity"](#).

Pray with spiritual conviction.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
