**APPARITION OF THE VIRGIN MARY IN BETIM, MINAS GERIAS, BRAZIL, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In the name of the Father, the Son and the Holy Spirit. Amen.

My Immaculate Heart comes to this world for the purpose of conquering your lives. I gather you together for another day to glorify the Heart of God. The doors of Heaven open in this city to pour out His Mercy, and all are assembled through My Immaculate Heart.

Day and night, I visit your homes and all the corners of this city, which is in such need of My Maternal Light, to listen to your pleas.

Thus, dear children, I ask that your homes be temples of prayer and of peace; in this way, you will prepare, dear children, for the Glorious Coming of Christ.

Let harmony and balance exist among your hearts; let there no longer be disunity or separation.

Let your families be sacred families; in this way, you will help Me, dear children, to have the Law of God be light in this world and on all corners of the Earth.

I invite you to create groups of prayer, the mission of which is to achieve My Divine Word; in this way, you will be united with the great Thought of God and will build new foundations in your lives.

I want to unite you with Me through the Holy Rosary, through Communion and Confession to My Son.

The enemy has managed to distract you from the Sacred Sacraments that unite you with the Heavens and the Universe. Remember to live the simple Commandments of Moses. You will open the doors of salvation for your lives when, in daily activity, through your families, you fulfill the Laws of God.

Everything will be rebuilt, everything will be in peace again, and love will not be lacking in your hearts. I come as the Queen of Peace, seeking peace in your lives.

Let your lives sow peace wherever you go.

Let your lips proclaim the greatness of God; in this way, your lives will be transformed by the power of My Marian Spirit, by the grandeur and the Mercy of Jesus, and mainly, by the Compassion of God.

Let your paths become straight, continue forward, continue through Me; do not lose sight of My call.

My eyes contemplate your hearts, My Mantle protects you and holds you when you truly follow My steps, steps that continue on to Jesus and which will carry you to a greater goal.

Dear children, it is time to become soldiers of prayer, it is the moment for praying armies to exist in this world.

The light is more powerful than evil. Love always wins, brings you hope and peace; thus, dare to take this great leap in evolution.

Let your lives be a perpetual prayer.

Let your spirits be in perpetual communion, and not lose sight of the path I indicate.

Dear children, My Heart must continue assisting humanity, It must continue to give torches of Light to all the hearts of the Earth so that, in this time of transition and of chaos, the essence of peace is not lost in the world.

The more you pray with Me every day, the more you will learn to grow through love, and feel what is real in your hearts; no evil or disturbance will exist, because your essences, which come from the Source of God, from the Greater Creation, will be firm and brave to continue onward, walking in Christ and for Christ, waking up the new apostles in everyone.

I bring you a simple but urgent call.

My Voice continues to reverberate in this local universe; all the Angels and Archangels hear this call, all of Creation works for the salvation of this world.

My dear children, have you perceived that I come to prevent many things?

Observe in your lives: how much time do you dedicate to God?, how much do you see, within yourselves the rich inner universe, which always lives in you and must be at the service of God through charity and the giving of self, for the good of this world and of souls?

I am the great Guiding Star of this universe; I am the second Sun of this universe, which comes to illumine your spiritual life, to rebuild your hearts and essences. I come mainly to bring you reconciliation with God.

In this way, My little ones, your lives will be healed and it will no longer be necessary to suffer; for this, you must pray with the heart, be united with My Maternal Essence.

How much I want to hold you always in My arms! My Son has allowed Me this special Grace of embracing you and sheltering you, of transmitting the warmth of My Immaculate Heart to you so you may feel trust and faith.

Dear children, I call on you at this time because it is a definitive cycle for all; you can no longer continue to do what you always do; something must change in your spiritual lives.

My Son has granted Me to be able to come to Betim so as to proclaim the awakening of all.

The time indicates a profound change. Thus, dear children, seek silence through prayer, step away from the noises of this world; look in nature for the Creation of the Father; in this way, you will be

united with the universe and will be able to know the Will of God; because I assure you, dear children, that in this end time, each has their mission.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

Today, I deeply thank you for overcoming the inertia of the world, for defeating the fear of meeting with what is Divine and coming to meet with Me.

Dear children, I know how difficult it is for you to have the Kingdom of God manifest in your lives, because you live in a time of chaos, in which modernities have dominated the minds and hearts of humankind. But today I ask, My children, that you find a source of hope in My Presence, because this is what I bring you in this time. Through My Presence in the world, I bring a unique opportunity so all the souls that live on Earth are able to accomplish the mission that is theirs to do and are able to return to the Celestial Origin with this divine mission fulfilled.

Thus, My children, although you consider it difficult to make My Words come alive in the simple daily activity of your consciousnesses, I ask those who hear Me with their heart to dissolve the impossibilities, because before this portal that is opening to the Kingdom of God, nothing is impossible.

I only need your lives to have the impetus of living in prayer, that you have the courage, each day, to face the worldly forces that live in each of your essences, and which, My dears, do not allow the Light of the Greater Kingdom to manifest in your beings. To the one who says 'yes', a Ray of the Celestial Heart will design your lives and will free them from all evil, so that in this time, My children, you are able to live the Words that I bring to the world.

Today, I ask you to receive the spring of hope and divine pity I bring to the world. I am announcing that this is still a time of Mercy, and even when the definitive time of Justice comes, it will be possible for those who cry out with the heart to reverse the evil in their lives, and through the Mercy of My Son, draw Divine Light to this world.

My dears, today I invite you to what seems impossible to you, so that in this time, you are able to see the world from another point of view.

No longer be, My children, in the small things of your lives, because if today you are here, it is because the Lord called each of your souls to manifest a Greater Purpose. In this time, you must discover that the Truth of God descends to the world to completely transform it, thus preparing the Second Coming of My Son and His Glorious Return to definitively redeem all the souls of this Earth, those still living and those no longer living, but who continue in the illusion this world once offered them.

My beloveds, if you accept responding to My call, I invite you to become part of this army of peace of Mine, so that peace can reach all the spaces of this world, for in this time, the Word I bring you crosses all boundaries, dissolves obstacles and reaches the most forgotten souls so they may receive an opportunity for redemption.

My beloveds, I aspire that on this night, the Light of the Celestial Kingdom touches each of your essences and transforms your lives forever.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

For this reason, the path of persistence will allow you to reach this purpose of Mine.

I speak to you with Love and in the name of Love. I bring you the Grace of serenity and of hope.

Today, I carry your pleas and intentions to Heaven; continue to pray so they can be accomplished. Everything has its timing in the universe of Will.

On this night of Graces, in which I see your ignited hearts, filled with the Spirit of God the Father, I consecrate these flowers and these images especially for you, My little children; so that through this symbol, through the flowers, you remember that your hearts are a perfect beauty for God, and even more so each of your lives.

Thank you, My little ones, for responding to My call.

The Universe blesses you and My Heart thanks you, go in peace, in complete trust and faith, remember Christ in your lives.

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

This evening, Our Lady approached us, showed Herself as the Queen of Peace, and mentioned the importance the Plan of God has on Earth, that Her children should listen to Her with the heart rather than the mind.

She also mentioned the importance of Her next steps in the pilgrimage. She reminded us that the United States, Her next place of pilgrimage, is the number one nation for Her to carry conversion to. And that She expects all Her children of the world, irrespective of their nationality, to understand the importance of Her being able to speak with Her children of the United States.

She said that the souls that live in that nation have great need of Her Love, have great need of conversion and need to know Her more deeply, because She will go to that nation as the Mother of the World and expects to carry out a great task with all the inhabitants of the United States.

She especially mentioned the original nation, that of the indigenous people of that country.

You know that throughout all these years of pilgrimage, Our Lady as the Mother of Guadalupe, Mary of Guadalupe, has carried out a great task with the original peoples, peoples who have suffered a great deal in these last centuries. She is carrying relief to those souls that today are still on the surface of the Earth and to those who have still not been able to transcend into the light and are on other planes of consciousness.

So She asks that we pay attention to this pilgrimage because it will be a great triumph of the Light and of Her Immaculate Heart, and calls all Her children of the world to help Her reach the United States.

All the information on this great pilgrimage is on the webpage.

And after the United States, She, as we told you today, wants to go to Africa to finish a task.

So we are all very determined to carry the Light of God to all those places; in the same way that today we received the Love and the spiritual Healing of Our Lady.

Our Lady blessed the flowers here, on the altar, so that you could take them to your homes, as if you were taking a little piece of the Heart of Our Lady.

So we are going to ask the Children of Mary, who are dressed with a blue shirt, that while we sing, they come up here and then go back down to hand out the flowers to all of you.

And to all of you, we thank you with all our heart for having been with us tonight; and if you want Mary to return to this place, ask Her with your heart, and after some time, She will come back here.

Song: "Mary of Nazareth."

Thank You, Mother, for all that You give us!
