MESSAGE FOR THE EXTRA APPARITION IN THE CITY OF BRASILIA, DF, BRAZIL, TRANSMITTED BY MARY, LADY AND QUEEN OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I return to each city so that My children may triumph by means of My Immaculate Heart, so that in this way My plans of Peace may be fulfilled in this world that is in such suffering and sorrow.

Dear children, I return to the heart of Brazil to establish, in a definitive way, the devotion to the Sacred Heart of Jesus and to the Immaculate Heart of Mary, but this will only be possible through the adherence that all of My children may actualize without delay and without wasting time, because My requests are special and divine for these times when peace is lacking in the interior world of many beings from the Earth.

The Americas must continue working as a one and only Spiritual Nation in order to establish, in this time, the Kingdom of Peace and of Conversion. By means of unity and of prayer you will fuse together, by the action of the Holy Spirit, all of the groups of souls in the same Redeeming Purpose.

In each city that I visit I pour the power of the Graces, the same ones that I achieved in My passing through the Earth. Graces that were sown by the Angels of Heaven in honor to God and to the Redeeming Plan of humanity.

Dear children, with this aim I return to Brasilia to establish My Immaculate Kingdom of devotion and prayer in a greater group of souls, those that will awaken in time to answer to My call. Heaven today reunites the powers of the Mercy of God by means of the offer of My Immaculate Heart so that a greater number of children may find healing and forgiveness.

I come to announce peace in the heart of all of those who do not have it. For this I need your determination and union with Me. As a Mother I will be able to raise you to Heaven and in order for you to meet the Great Consciousness of Jesus, and in this way you will return to the House of God, that which has been very much forgotten by this world.

On this day My dears, My divine inspiration will be to awaken you to the universal consciousness of the power of prayer so that in this way you may resolve in time all of that which unites you with God and with His Project of Love.

In Glory I descend from Heaven in order to lift from the ground all of those who have fallen because of suffering and desperation. My Hope for you is promising and truthful for those who just may open their heart.

I pray for you all the time, I pray for the peace in your hearts, I pray for the end of the spiritual war, that which dwells in the mind of unjust men and women. I pray so that humanity may not continue losing itself, I pray for those who consecrate themselves and for those who distance themselves from God without realizing it. My prayers are for all of you and for the world.

I adore the Father and I Glorify Him so that He may never cease to pour His Infinite Mercy over each one of My children. I traverse cities and nations in order to awaken the new soldiers of peace and of prayer because the urgency of redemption and of a great change in the consciousness is imminent. For this I pray so that the Angel of Justice of God may not come to the world in order to show what is not well in the deluded and sleeping humanity.

I wish for you to pray with Me every day, that you do not forget to do it, because the chalice was half full and now it is being filled more filled than I expected. Only through your transformation will the word be convert and achieve peace.

The Universe of God awaits your offers and sacrifices and, no matter how small they may be and the more insignificant that they may seem, all will be contemplated by the Divinity. I come to awaken you, I come to call you and to activate you for the service and for the prayer for those who do not adore, do not wait for and do not love God. I come from Heaven with the hope of reverting the grave outrages that many of My children continue to commit. I come to prevent the application of the Law and the Justice of God, something that humanity does not either know or understand.

As an Intercessor I come to approach you to the Heart of Jesus, I come to announce My last call before the return of Christ to the world.

Dear children, I come to listen to your Yes which is so crucial for the final time.

I thank My children from Brasilia for having answered one more time to My call for Peace!

I wish for them to know that I am truly very thankful.

My Peace and My blessing is upon each one of them.

Who thanks you now and always,

Your Mother Mary, Queen of Peace and Mother of Brasilia
