MESSAGE FOR THE MONTHLY APPARITION IN THE CITY OF BELO HORIZONTE, MG, BRAZIL, TRANSMITTED BY MARY, LADY OF PITY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children of Mine:

That today on your faces may arise a smile and the joy to return to your encounter with Me.

I return to the city of Betim because of the response that all My children have given to Me for these times.

Today I come with the hope of spreading My Divine Piety over all the needy hearts. My arms of a Mother open themselves to shelter each of your lives.

As the Queen and Savior of souls I know your grief, pains and afflictions; I come to bring the Love that you so much seek in this world.

Our Sacred Hearts gather your sincere offerings so that they may be contemplated by the Beloved Heart of God.

In this way My Project is fulfilled through the good servers and children of Mine that in devotion answer to My call.

I arrive in Betim with the hope to reopen the doors to the conversion and the redemption that many of you need to live in these times. I keep the Gift of God, that which will allow you to reach redemption and peace, this Gift that is so appreciated by the Father is called Love, the Love of the heart.

My purpose is that from here, from this city and from all the towns that live humbly the devotion of My Immaculate Heart, may arise groups of prayer renewed by the Holy Spirit that on this day I bring to you in name of the Love of My Resurrected Son.

I pray for you all the time, and I tell you that now Heaven needs all your lives to be able to Work and fulfill the Plan of Peace that the world needs so much. Today I receive from your hearts the true urgencies and necessities of physical and spiritual healing, but the true miracle that exists for your lives is to remain in God and with God above all things.

My Maternal and Immaculate Spirit wants to encourage to serve with fullness because only through charity and donation will the world as a whole be balanced.

With this aim I visit in no time and without delay the great cities, places in which are found My precious souls, those that must be removed through My intercession, from the mistakes and diversions of the enemy.

When your hearts are ignited by prayer and by chanting, the Great and Supreme Doors of Healing, of Mercy and of Redemption are opened only by hearing the clamor and the pleas of the simple

souls.

Remember that I Am Your Mediator and Lady of Piety.

From Heaven I bring you the opportunity to rediscover the path of Light and in this way I separate you from darkness, healing your hearts.

For all those that on these days dedicate themselves to respond in a prompt way to My call I thank you now and always!

The Heaven blesses you in Grace and in Mercy.

Your Mother Mary, Lady of Piety and of the Blue Sky
