MESSAGE FOR THE EXTRA APPARITION IN THE MARIAN CENTER OF THE HOLY SPIRIT, TRANSMITTED BY MARY, UNIVERSAL MOTHER OF THE HOLY SPIRIT OF GOD, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

As newborn children all of you are taken to My lap of a Mother so that you may receive the warmth of the Heart of God, and in this way you may be filled by the gifts of His Holy Spirit.

In this cycle, in which humanity has lost its innocence, I come in name of the Holy Spirit to establish the devotion to the Sacred Gifts of God. In order that the devotion to the Gifts of God may be established, I will give you to know the great virtues of God; virtues that will assist to recover the sacred spirituality that many children have lost in the times of today.

As the Mother of the Infinite I bring you from the Celestial Universe the possibility that each one of you return to the path of consecration to God, so that later you will be able to live the Sacred Apostolate of Christ.

Beloved children, the spiritual goal of My maternal presence among you for this extraordinary day has the mission to bring your souls near the essence of the Gifts of the Holy Spirit of God. You, as fruits of the origin, hold in your essences the perfect union with each one of the gifts of the Holy Spirit, and in truth, the one that humanity needs to know is the Gift of the Fear of God.

This gift reveals to you the internal opportunity to recognize the Creator as Your One and Only True Spiritual and Divine Father, without ceasing to observe and to learn that only through the Most High will you reach Mercy and Forgiveness.

The Gift of the Fear of God is one that is least practiced and lived by the souls of this world. Many lose their primordial affiliation with God from being influenced in this cycle by the things of the world, and by not living the Gift of the Fear of God, and this divine gift becomes the Source and action of the Divine Justice which will correct you and will show you the true path.

For this, as Your Mother of the Holy Spirit of God, I come in this definitive time to warn you and to announce to you that there is still time to correct your lives and to direct yourselves to the Universe of God, that which is highly substituted by the modernities and by the vanities of the world.

If this does not change in time many souls shall suffer the result of their own choices in life. It corresponds to Me to guide you by the hand as Your Mother and to take you to the encounter with the Creator.

If you see that the brothers and sisters, sons and daughters, close to your lives are distant from listening to My Call; pray for them! Fast for them and adore Christ for them! Thus you will be assisted and rescued in time.

Heaven announces to you the cycle of being able to encounter the Divine Truth. You, My dear children, are crossing as humanity the portal of a new cycle, and of a new era. I ask that you seek to live the Gifts of God by means of the heart and of prayer, because this way you shall be assisting the entire humanity that is deaf and blind.

On this day My Heart is ennobled by being able to re-encounter you mature and in another stage within the school of forgiveness and of redemption.

Remember that I Am Your Mother of Peace and that today I pour over you the blessing of the Holy Spirit of God.

I thank all My children for having responded to My call!

Who heals and consecrates you,

Your Mother Mary, Queen and Lady of the Holy Spirit
